Principal's Desk

“Education is not the amount of information that is put into your brain and runs riot their undigested, all your life.”

-Swami Vivekananda

This famous quote of Swami Vivekananda clearly describes the mission of Bhaskaracharya College of Applied Sciences which envision establishing itself as a centre of excellence in academics and research...

Bhaskaracharya College of Applied Sciences, a constituent college of University of Delhi, offers eight undergraduate courses in Science / Applied Sciences with an objective to develop global organizational leader to be transformed into innovative thinkers and researchers, seeking opportunities in academics or industry. Our undergraduate courses are academically rigorous and are further supported by six allied Departments, which form the backbone of the courses. The college was established in the year 1995 and moved to its new campus which is located in Dwarka, New Delhi. The college has lush green, Wi-Fi enabled campus with adequate infrastructure.

Academic pursuits of the students are fully supported by a modern, well stocked library and state of the art laboratories. Besides the curriculum, our students are imparted skills through several training programs, workshops and seminars in collaboration with academic and research institutes. With a view of inculcating leadership skills, students are encouraged to participate in various club activities. The college provides a strong platform for extra-curricular activities and many of our students have brought laurels to the college. These platforms and opportunities have enormously helped our alumni to carve a niche for themselves in unorthodox careers besides contributing in the development of their personality. During the last few years, emphasis is also laid on research activities. The College has received grants from UGC, DST, DU, DHE and MoFPI that has helped these reaserch initiatives

Nearly 250 students have been associated with the DU innovation projects since its inception. These projects provided a platform for hands on training and exposure to research for our students. Research exposure at the undergraduate level helps them to build a strong foundation that is required to enter into job. Many students have also been benefitted from the “Star College Scheme” of DBT besides other research projects in last few years.

The faculty is highly experienced and aims at grooming the students to be technologically superior, academically competent and ethically strong. Inside the classrooms, students are trained to think critically and creatively to solve global problems, become lifelong learners and contributors to the society. The meticulous training provided by the faculty has helped students to excel in their degree programs and to undertake higher studies in their respective fields. We are proud to state that our alumni are not only pursuing higher education in best of the institutions across the county but are equally successful in their careers. I am pleased to share that several students of the college are well placed in various reputed industries/organizations. To name a few, companies such as Cannon, Coca-cola, Nestle, Uflex, Jubilant Organosys Ltd. and Ministry of Commerce & Industry (Govt. of India) and Arts et Métiers ParisTech (France) have selected some of the best students. Around 10 students of the college have also been selected for CSIR-OSDD fellowship programme wherein they were exposed to high end research work

I take this opportunity to introduce our final year under-graduate students to your esteemed organization for recruitment purpose or pursuing higher studies. I further wish them all a fascinating journey after graduating from BCAS. I firmly believe that your organization would be highly benefitted by the hard work and commitment of our students.

Wishing them once again...

Dr. Balaram Pani

Principal

About the College

Bhaskaracharya College of Applied Sciences is a constituent college of the University of Delhi and entirely funded by Government of National Capital Territory of Delhi. The foundation of the college was laid in October, 1995 and was named after the great mathematician of 12th Century. The college started functioning from the PUSA Campus and thereafter in the year 2002 shifted to its new Dwarka Campus. The college offers eight science courses, namely, Bachelor of Honours in Computer Science, Electronics, Instrumentation, Food Technology, Polymer Science, Biomedical Science, Physics and Microbiology. Along with these eight courses, college also offers six allied courses which form the backbone of these main subjects. Moreover, college has also initiated the process to start three new courses, namely B. Sc. (Hons) in Chemistry, Botany and Zoology, for which necessary approval from competent authority has already been taken.

Within a short span of 22 years, the college has succeeded in emerging as a sought after college, for studying science courses, in the University of Delhi. The college admits meritorious students, based on their performance in the higher secondary examinations. Most of the students of our college pursue higher studies in some of the renowned master's program of the country. Thereafter, they either pursue doctoral studies or get themselves placed in industries. The college has witnessed outstanding placements over the years. During their course tenure, students undertake training programs along with their studies. Working on these short term projects, our students acquire unique skill set which is sometimes powered with Industry or Research organization. When this trained group deliberates and brainstorms in their future endeavour, the outcome is transformational. Some of the students of our college have created new benchmarks, with placements in various industries for strategic and top leadership roles. The outgoing batch promises to set new records and break frontiers either in higher education or placements.

The Library: Overview

The College Library was set up in 1995 with the mission to cater to the information needs of the students and the faculty. The library functions as an information resource center for the college in achieving its aim.

The library is housed in a spacious and well-lit three storied building called the library block. Lower ground floor is being used mainly as stack room with a facility of reading space for 15-20 users. Upper ground floor is being used for circulation cum reference service, stack room, staff working area, entry-exit and some reading area for some 15-20 users. The top floor is mainly used as a reading room with a capacity of 120 users and a free air-conditioned Internet facility with 20 computers.

Collection

The Library has a staking length of 3396 ft. having a strong collection of more than 24000 volumes of books including reference books, 336 bound volumes of journals. The student books ratio of the library is 1:23. Library also has 1238 CD-ROMs/ DVD-ROMs. The library has developed a computerized record of more than 11000 journals' articles with bibliographic details. These are used by students for their projects. Apart from the in-house collection, the library has full access to the thousands of journals online which are being subscribed to by the Central Reference Library (University of Delhi). The Library is also subscribing to N-LIST (National Library and Information Services Infrastructure of Scholarly Contents) Programme - (a collection of E-Resources under UGC-INFONET Digital Library Consortium)

Automation

The college library is automated using LSEase software of LibSys Corporation. The library block is under eight CCTV cameras surveillance with a recording facility. The library has its own intranet.

Services and Facilities

- OPAC – Online Public Access Catalogue
- Air-Conditioned Internet Room freely available to the students and the faculty
- Article Indexing Service – Bibliographical details of the journal articles are computerized and disseminated to the users on demand
- Reprography in proximity with the Library
- Open Access
- Lending Service and Reference Service
- Newspaper Clippings

Future Plans

In future, the library proposes to make the library block centrally air-conditioned; migrate to KOHA (an Open Source Software) and to install RFID, Web-OPAC and Biometrics technology.

The library organizes orientation programmes and information literacy programme for the students. The library also organizes, to cultivate reading habits amongst students, Book Exhibitions and Displays on a regular basis. Our library grows in size and services every year to accumulate the ever expanding horizons of knowledge.

Department's Overview

Main Departments

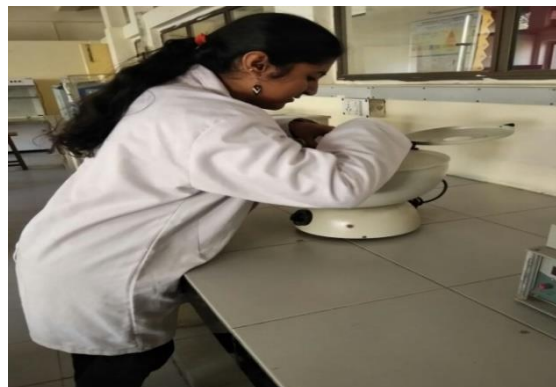

- Department of Biomedical Science
- Department of Computer Science
- Department of Electronics
- Department of Food Technology
- Department of Instrumentation
- Department of Microbiology
- Department of Physics
- Department of Polymer Science

Allied Departments

- Department of Biology
- Department of Biochemistry
- Department of Chemistry
- Department of Human Communication
- Department of Mathematics
- Department of Physical Education

Department of Biomedical Science

B. Sc. (Hons) Biomedical Science program of our college provides an opportunity for young students to acquire academic training that is relevant to understanding and treatment of human diseases. Students should understand that the world in which we live today is comfortable because of various research and inventions that have taken place in these areas. The field is vast and the applications are enormous, ranging from basic to applied research.

The course provides students with an intellectually stimulating education in human physiology, pathology, cellular and molecular biology, biochemistry, medicinal chemistry, pharmacology, toxicology and immunobiology. The course has been designed so that students first acquire an integrated understanding of biomedical science that allows them to shape their subsequent studies towards the topics that interest them the most. As the course progresses, increasing emphasis is placed on relating knowledge to scientific research. That emphasis is demonstrated by the opportunity for all students to obtain first-hand experience of laboratory research in the later stages of the course. Students are also encouraged to undertake summer projects in Research Laboratories and Industries.

The Department has a dedicated and highly qualified team of faculty who offer quality education to the students as per the academic scheme of University of Delhi. Students are also benefitted by Invited Lectures of Scientists of repute that are organized from time to time. Various Workshops, Hands-on-Trainings, Conferences are also arranged to build a strong foundation of students to pursue academic research.

The laboratories of the Biomedical Department are well equipped with various latest and sophisticated instruments including computer-based UV-Visible spectrophotometers, thermal cyclers, gel documentation system, refrigerated high speed centrifuges, orbital shaker incubator, microtome, UV transilluminator, microplate ELISA reader, digital colony counter, digital viscometer, melting point apparatus, binocular microscopes with camera and projection system as well as other instruments including electronic balances, autoclave, colorimeters, vertical and horizontal electrophoresis units, electro-blotting system, laminar hood, magnetic stirrers, vortex shakers, ice flaking machine, ovens, etc. The hands-on-training on these equipments facilitates the students to achieve both conceptual knowledge as well as practical skills.

For students having passion for research and science, this course is an ideal choice. According to some of our alumni, Biomedical Science course of our college is the luxury of

their choice. They considered it as a ‘stepping stone’ towards their career, providing them with a solid foundation of science in the first year and then allowing them to tailor their research interests over the following two years.

Activities

Biomedical Science Society “DNAmics” is a joint enterprise of students and teachers. The society have been instigated with an objective to abreast the students to the latest findings, developments and avenues in the field of Biomedical Sciences. Further it promotes academic, extra-curricular and socio- culture linkages with peers in other colleges and other institutions. Our society is actively involved in organizing various seminars and other related activities for the students and faculty of the college. Such activities promote inter-departmental interaction among the students. Moreover, the inter-disciplinary aspects of the planned activities make students more open and receptive to new ideas. The students and faculty members are encouraged to take part in conferences, symposia, public lectures and seminars regularly to broaden their horizons. In the last academic year students attended seminars and symposiums conducted by various colleges of University of Delhi and other research Institutions. Students are also encouraged to participate in various sports activities and bring several laurels to their credits.

The Biomedical Science society "DNAmics" organized its departmental festival “Genesis’16” on April 21, 2016. The event was inaugurated by Dr. Amulya Panda, National Institute of Immunology, Delhi and Dr. Avinash Bajaj, Regional Centre for Biotechnology. The lectures were followed by various students’ activities.

Students of the Department participated in a Workshop titled “Exploring the microscopic world” wherein they analyzed various tissue sections, microbiological and hematological blood slides using foldscope microscope of Dr Manu Prakash, Stanford University.

Syllabus of B.Sc. (H) Biomedical Science

Semester I		Semester II	
Paper No	Name	Paper No	Name
LSPT 101	Introduction to Biology	ENAT 201/CSAT 201	Technical Writing and Communication in English/ Computational Skills
BOHT 101	Human Physiology-I	BOHT 201	Human Physiology-II
CHCT 301	Chemistry I	CHCT 402	Chemistry II
ENAT 101/CSAT 101	Technical Writing and Communication in English/ Computational Skills	MACT 303	Mathematics and Statistics
Semester III		Semester IV	
BOHT 303	Microbiology	BOHT 405	Biochemistry
BOHT 304	Pathology	BOHT 406	Medicinal Chemistry
CBHT 301	Cell Biology I	CBHT 402	Cell Biology II
MBHT 301	Molecular Biology I	MBHT 402	Molecular Biology II
Semester V		Semester VI	
BOHT 507	Pharmacology	BOHT 610	Toxicology

BOHT 508	Biophysics	BOHT 611	Immunology
BOHT 509	Clinical Biochemistry	BOHT 612	Special Paper
GGHT 501	Genetics & Genomics I	GGHT 602	Genetics & Genomics II

Faculty details

S. No.	Name	Degree	Specialization
1.	Dr. Uma Chaudhry	Ph.D.	Medical Biotechnology
2.	Dr. Shivani G. Varmani (Teacher In-Charge)	Ph.D.	Medical Biochemistry and Biotechnology
3.	Dr. Uma Dhawan (on Study Leave)	Ph.D.	Human Genetics and Molecular Biology
4.	Dr. Kapil Roy	Ph.D.	Biophysics
5.	Dr. Neha Singh	Ph.D.	Biomedical Science
6.	Dr. Shvetambari Arora	Ph.D.	Medical Biochemistry
7.	Dr. Ratyakshi	Ph.D.	Biotechnology and Nanotechnology

Placements of Biomedical Science students

Students of Biomedical Science Department had a consistently good placement record over the years. All the students are placed with renowned organizations. Some of the prominent institutes are:

Interaction with Industries/Institutes/R&D organizations

- Tata Institute of Fundamental Research (TIFR), Mumbai
- Center for Cellular and Molecular Biology, Hyderabad
- Dr. B. R Ambedkar Center for Biomedical Research, Delhi
- Gentech Pvt. Ltd.
- Institute of Genomics and Integrative Biology (CSIR) Delhi
- International Centre for Genetic Engineering & Biotechnology, Delhi
- National Institute of Immunology (NII), Delhi
- Netaji Subhash Institute of Technology, Delhi
- Tata Energy Research Institute (TERI), Delhi
- Bharat Serums & Vaccines Ltd.
- Bio-Control Research Laboratories
- Cadila Healthcare Ltd.
- Dr Reddy's Research Foundation
- Fermenta Biotech Ltd.
- Panacea Biotech Limited, Delhi
- Hindustan Antibiotics Ltd.
- Indian Immunologicals Ltd.
- Johnson & Johnson Pvt. Ltd.

Department of Computer Science

The Department of Computer Science was established in the college in the year 1997, with an objective to impart quality education in the field of Computer Science. With rapidly evolving technology and continuous need for innovation, the Department has been producing quality professionals, and encourage students to go for the higher studies in the various renowned universities/Institutes of the nation.

The Department has comprehensive program of study intended to give students a thorough foundation in the theory and methodology in the field of Computer Science. The students obtain skills and latest approaches to analyze, design, implement, validate and document computer software. The faculty of the Department is involved and motivate students to do Government funded projects and writing research papers. The involvement of the students in projects provide them the industry exposure. The Department has B.Sc. (Hons.) Computer Science, B.Tech. Computer Science and B.Sc. (Hons.) Computer Science course under CBCS mode courses with an aim to develop core competence in Computer Science and prepare students to take up challenges of research and development. The students are trained to develop ability to apply high level of theoretical expertise and innovation to solve complex problems.

The Department is spread over three spacious and air conditioned labs, networked to powerful servers. The Department has high quality accessories such as scanners, printers, projectors and CD/ DVD writers. The Department has wide availability of open access computer facilities with the Wi-Fi network in the college. The Department provides the state of the art computing facilities with more than 120 multimedia computers of Pentium range with latest software.

Activities

The Computer Science Society, CS.Net, is by the students, of the students and for the students. The society was founded in the year 2007 and is blossomed with the help of faculties, students and non-teaching staff. The society aims to enhance the student's IT awareness, technical knowledge and personality development. "CS.Net" celebrated its Annual Techno-Cultural Festival "INTERFACE 2k16" on 17th and 18th March, 2016 with a fusion of technical and entertainment events like LAN Gaming, Web Sharades, Talent Hunt, Speed-O-Text, Smash It, Minute to Win It, Quiz-O-Code. An online photography competition, Zoom In, was also organized with the theme "Capture the Emotions".

Faculty members of the department are involved in Govt. funded projects Innovation Projects funded by Delhi University. Mr. Bhavya Deep was principal investigator for the project BCAS-311: "Study and Design of Framework for Cloud Implementation in Large University / Higher Education" and Ms. Arti Dua was principal investigator for BCAS-309: "Identification of Genetic Factors for Coronary Artery Disease and Its Association with other Atherogenic Risk Factors in Young Indians" in the year 2015-16.. The BCAS 311 project was one among the 82 projects that was chosen for display at the DU Innovation Plaza. It was also awarded the prize for the "Most Significant Research Outcomes". Two of the CS students, Preeti Yadav and Raunak Sett, under the guidance of Mr. Bhavya Deep, got their research paper published in the International Journal of Distributed and Cloud Computing (Volume 4, Issue 1) titled "Resource Allocation for Cloud based E-Learning Systems". One more research paper written by our student, Prateek Sarna, has been communicated to Delhi University Journal of Undergraduate Research and Innovation for acceptance titled "Comparative Study of OpenNebula, CloudStack, Eucalyptus and OpenStack".

The Department of Computer Science organizes seminars, technical talks and workshops on regular basis for enhancing the technical skills and updating the knowledge of the students.

Technical talks cum workshop were organized on 23rd July, 2016 and 4th Aug, 2016 by Mr. Suryakant, Technical Project Manager, Orange Business Services, Gurgaon on the topic “Infrastructure as a Service”.

To celebrate the auspicious occasion of Teacher’s Day, several fun and interactive activities were organized by the students expressing the gratitude and revering their teachers for being a constant pillar of support and consistently imparting immense knowledge.

In order to strongly support and implement the Swachh Bharat initiative, cleanliness drive was organized by the Department’s students, teachers and lab staff. Concerted efforts are being made to maintain hygiene and clean surroundings inside and outside the college on a regular basis.

Syllabus of B.Tech Computer Science

Semester I		Semester II	
Paper No	Name	Paper No	Name

Department of Electronics

A degree in Electronics covers all the key knowledge areas required to become a successful Electronics professional. Besides this, a degree course in B.Tech Electronics is being run in the college for the session 2013-17. The course equips students with broad foundation of the fundamentals of electronics and associated subjects and provides them the skills that are required to design electrical, electronic, computer, automation and communication systems. The curriculum includes courses on Analog and Digital Electronics, VHDL, Robotics, Embedded System, Nanoelectronics, Biomedical Instrumentation Control System, Mobile application Development, Consumer electronics, Signals and Systems, Electrical Machines, Communication, Microprocessor and programming languages. Practical based on simulators like P-spice Multisim, MATLAB, Scilab, QUCS etc. are also included in the curriculum.

The Electronics Laboratory is well equipped with the latest state-of-the art instruments such as Cathode Ray Oscilloscopes & Digital Storage Oscilloscopes (100MHz), CRO demonstration kits, Pulse Generators, Function Generators, Power Meter, Analog and Digital I.C. tester, LCR Q- tester, 8085 and 8086 Microprocessor kits with assembler and disassembler, Atmega Microcontroller Kit, Microcontroller trainer, Interfacing modules and cards, Universal Programmer, various communication modules experimental kits, LASER kits, PID controller kits, Antenna trainer kits, PCB design kits, etc. The Department also has well equipped computer laboratory with various simulation software installed to facilitate the students to gain expertise in IT skills. Department of Electronics has its society named “**SPARKS**” which organizes various activities like Seminars, Industrial visits, Department fest, etc. throughout the year.

The course provides comprehensive opportunities to the graduates to explore and attain the zenith of success in research & development, aerospace and defence electronics, design, testing, quality control, and project management. After graduation, students can also pursue higher studies in Electronics or Information technology from University of Delhi, Indian Institute of Technology, Jamia Millia University, Kurukshetra University, Devi Ahilya University, Banasthali Vidyapeeth University, etc. The students are also eligible to pursue MBA and MCA from various esteemed Universities.

Activities

Department of Electronics organized a one day workshop on "Emerging Technologies, Market Requirements & ITIL V3.0" on 15 September 2015 in collaboration with Milestone Achievers - APMG (UK) et. The main focus of this workshop was to educate students in Essential Technologies like ITILv3.0 and ITSM training Model – X, Y, Z vs x, x+, x+ and Broadband technologies.

A one day workshop on “AVR Microcontrollers” in collaboration with Excel Technologies was organized on February 1st, 2016 in the College. The workshop focused on various tools, microprocessors and microcontrollers used in designing of an Embedded System and designing cycle. During hands on session, students learnt to interface the real world with the microcontroller.

The Department also organized a two day workshop on “ROBOTICS” in collaboration with CROMA Campus on October 5-6, 2016. The students learnt to program the robots and were given hands-on training

Syllabus of B.Tech. Electronics

Department of Food Technology

Food Technology deals with processing and preservation of food. It imparts in-depth knowledge of science and technology and various skills involved in processing and preservation of foods. Food processing has been identified as the sunrise industry due to its enormous impact and significance in the Indian development sector. Recognizing the potential in this sector, the course has been designed so that students acquire an integrated understanding of the Food Technology. The course provides students with an intellectually stimulating education in Technology of Fruits, vegetables and Plantation Crops, Food and Nutrition, Dairy and Sea Foods, Food Chemistry, Food Microbiology, Food Engineering, Food Packaging, Food Safety and Food Quality Testing and Evaluation. The course offers educational tours, seminars and industrial training. Students are also encouraged to undertake summer projects in Research Laboratories and Industries.

The laboratories of the Food Technology Department are well equipped with various latest and sophisticated instruments including Automatic Nitrogen Analyzer, Brookfield's Viscometer, UV-Vis Spectrophotometer, Lovibond Tintometer, Rotary Vacuum Evaporator, Laminar Air Flow, Fume Hood Chamber, Binocular Microscopes, UV-Vis-Spectrophotometer, Autoclave, Laminar flow, Electronic Balances, Autoclave, Tensile Tester, Leakage Tester, Moisture Meter, Environment Chamber, Incubators and Drying Oven. Besides this Department has a pilot plant which aims at providing practical experience to the students. It is well equipped with a Canning Unit, Bakery Unit, Modified Atmosphere Packaging, Milk Processing Plant, Form Fill and Seal, Sieve Shaker, Deep Freezer with Sensor etc. The Department also has research laboratory which includes high end equipments like Gas Chromatography, Texture Analyzer, and Water Activity Meter etc. The training on these equipments facilitates the students to achieve both conceptual knowledge as well as practical skills. Various in-house projects are being carried out which help students to understand how products can be taken from laboratory to the market. Students undertake these projects with full enthusiasm and work under the supervision of experienced faculty members.

Objectives

- ❖ To enable the students to understand food composition and its physico-chemical, nutritional, microbiological and sensory aspects.
- ❖ To familiarize the students with the processing and preservation techniques of fruits and vegetables, pulses, oilseeds, spices, meat, fish, poultry, milk and milk products.
- ❖ To emphasize the importance of food safety, food hygiene and sanitation, food regulations, food packaging and recent advances in the field of Food Technology.

Activities

Ambrosia, the Food Technology Society creates awareness through Seminars and Educational trips for the holistic development of students. Students of the Department of Food Technology have always been enthusiastically involved in various extracurricular activities not just within the college but also inter college. Department has organized Software Training Programme on 29th July 2016 with Physics and Polymer Science Department. Students learnt operation of various software for data analysis and poster presentation.

Food Technology Department has been awarded with Star Department Status in 2013 by Department of Biotechnology. Departmental has organized workshop on “Total Analytical Solutions for Cereal Technologist “on 28th Oct. 2016, funded by Star College Scheme and AIFPA in which the students actively participated and learnt operation of Texture Analyser

and Water Activity Meter. In K.D Senior Secondary School, Rohini workshop was conducted on 10th October 2016 on “Reuse of Plastics”. School students were educated about different methods of reusing of waste plastic bottles and education regarding plastic disposal was also given to students. Under Star College Scheme Department has organised workshop on “Skill Enhancement in Confectionery Technology” on 9th Nov. 2016 .In this workshop hands on training was given on different methods of cake icing .Various events such as poster session, write up competition , quiz etc were also organised by department.

Department of Food Technology organizes Better Process Control School in collaboration with USFDA. Currently our college is the only institute conducting such course in India and neighbouring countries.

Students are actively involved in research also. At present Department has completed four innovation projects funded by University of Delhi.

Syllabus of B.Tech. Food Technology

Semester I		Semester II	
Paper No.	Name	Paper No.	Name
1.1	Principles of Food Science	2.1	Food processing technology
1.2	Food and nutrition	2.2	Technology of Fruits, Vegetables and Plantation Crops
Semester III		Semester IV	
05	Bakery and Confectionary Technology	08	Food Chemistry
06	Technology of Meat,Milk, Fish and Egg	09	Food Quality and Sensory Evaluation
07	Technology of cereal, Pulses and Oilseeds	10	Processing of Animal Foods
Semester V		Semester VI	
11	Differential Equations	14	Food Engineering
12	Advanced Food Chemistry	15	Food Safety and Regulations
13	Food Microbiology	16	Analytical Instrumentation
Semester VII		Semester VIII	
17	Food Quality Management	20	Food Plant Sanitation and Waste Management
18	Food Packaging Technology	21	Nutraceutical and Functional Foods
19	Industrial/ Research Project	22	Industrial/ Research Project

Department of Instrumentation

Instrumentation is a specialized field which deals with the science and technology of measurement that service not only physical, chemical and biological sciences; but also all branches of engineering and medicine. Bhaskaracharya College of Applied Sciences is the only co-educational college in the University of Delhi, offering Bachelor of Science (Hons.) course in Instrumentation.

College has a specialized Instrumentation Laboratory which provides practical expertise to the students and trains them to design, develop, maintain and trouble-shoot instruments that are being used in varied fields like Automation and Control, Process Industries, Medicine, Quality Control etc. The Laboratory is equipped with state of the art instruments like NI ELVIS-II Educational Laboratory Virtual Instrumentation Suite supported by LabVIEW full development system from National Instruments and NI USB Data Acquisition Card, to help students interface and integrate real time signals and data. It also has Multisim software to simulate electronic circuits and designs. The laboratory also acquaints students with devices used in Process and Control industries like ratio control trainer, differential pressure transmitter, circular chart recorder, dead weight tester, various flow meters such as electromagnetic, orifice meter, ultrasonic etc. It also has advanced transducer and instrumentation trainer, temperature transducers, LVDT and strain gauge trainer, speed control of DC motor etc. Students learn to design and develop small projects on high performance microcontroller and microprocessor kits which are provided with interfacing modules like Temperature Controller, Keyboard, Elevator Simulator Interface, Stepper Motor, LCD etc. The Instrumentation Laboratory also boosts of training students in sophisticated biomedical and analytical Instruments like Microprocessors based UV-VIS Spectrophotometer, 3 to 6 Channel Electrocardiograph, Heart Rate Monitor cum ECG trainer, Respiration Rate Monitor etc.

Activities

Department of Instrumentation organized a lecture series on 26th August, 2016. Mr. Partha P. Adhikari from National Institute of Electronics & Information Technology, Mr. Manish Kumar Upadhyay from Intel Technologies and Mr. Robin Ladwal from Araham Solutions were invited. Students were given the knowledge in the area of Digital India, VLSI and entrepreneurship respectively. An Expert Lecture on “Build your own Smart Device using Raspberry Pi” by Dr. S. Ramanarayana Reddy, HOD, CSE Department, IGDTU for Women, Kashmeri Gate, Delhi and a talk on "Recent Advances in Sensor Technologies for Better Health Care" by Prof. V.R. Singh, Director, PDM Educational Institutions were also organized. Students were given the knowledge in the area of Smart Devices that proved to be of great help to them to gain awareness about the latest technologies and advances in this field. Various sensors and their interfacing using Raspberry Pi were shown. Smart phone built using Pi was also demonstrated to students which generated a lot of enthusiasm amongst them. The talk acquainted students with the advanced technologies in the field of medicine like 3D Ultrasound, Laser Technology, Prosthetics, Imaging, Rehabilitation and its applications in Instrumentation field. The Department also organized an industrial visit to Shriram Institute for Industrial Research, an independent and self-sustaining multidisciplinary institute conducting R&D in the areas of special significance to industry, government agencies and other organizations. The visit was an enriching experience for students in getting live exposure and brief description of instruments like AAS in Instrumentation Lab, Glass Viscometer, Dead Weight Tester, Torque Wrench Calibration System and Digital Tachometer in Calibration Lab. Another visit was organized to University Science Instrumentation Center (USIC) where students were made aware of various characterization tools such as FTIR spectrometer, NMR Fluorescence spectrometer, DSC, TGA etc. It provided the students a glimpse and understanding of ongoing researches and trends in Instrumentation industry, which proved to be a worthy opportunity to provoke research interests among the students.

Department of Microbiology

Microbiology is one of the most dynamic areas of biological sciences as microbes are evolutionary and ecological pioneers and have immense socio-economic importance in our day to day life. These miniscule organisms play an indispensable and vital role in research in all areas of basic and applied sciences. It is an exceptionally broad discipline encompassing and integrating areas as diverse as Biochemistry, Cell Biology, Genetics, Molecular Biology, Environment, Agriculture, Taxonomy, Bioinformatics, and Biotechnology.

The Department of Microbiology at BCAS has well equipped and furnished laboratories to provide hands-on-training to undergraduate students. Various instruments and equipments such as laminar air flow, deep freezer, incubators, microscopes, thermal cycler, gel documentation system, weighing balance, image projection system, LCD projector etc are available in the Department. The faculty members of the Department are actively involved in various DU innovation projects. In this academic year, four innovation projects are running in the Department. The Department is also receiving grants from Star College scheme of DBT.

The “SUKSHMJEEV” society of the Department of Microbiology organizes a variety of academic and co-curricular activities in the form of conferences, seminars and lectures etc. for the holistic development of students. “Sukshmjeev” provides a platform for interaction amongst students, faculty members and various academicians invited from renowned institutions. Department of Microbiology conducts various symposia, workshops, visits to research institutes for exposing the students to the latest developments in the field. This year, the society organized a one day symposium on "Antimicrobial Resistance: A Major Global Threat" under the aegis of Star College Scheme. The Annual Magazine of Sukshmjeev Society "Life under Lens" was also released on this occasion. The Students from the Department visited National Institute of Immunology (NII) where they were shown the protein production and purification facilities. At NII, the students were also shown the X-ray diffraction facility, which was a true delight for the students to watch.

The Department of Microbiology at BCAS has well equipped and furnished laboratories to provide hands-on-training to undergraduate students. Department of Physics

Physics is the branch of science that examines and offers a logical framework to understand the world around us, focused on matter, energy, space and time. It is one of the oldest academic disciplines, a basic science, which has made significant contributions to our understanding of the numerous physical phenomena all around us. The advances and understanding of this field has been translated into new technologies and new ideas.

The foremost Physics Department of University of Delhi engaged in research and teaching frontier areas of experimental and theoretical Physics as per university syllabus. Ever since its inception, excellence in teaching and research has been the hallmark of our department.

The Department offers six semester undergraduate B. Sc. (Hons.) course with the intake capacity of 31 respectively. Our undergraduate students receive personal attention from the faculty. Over the years, the department has produced graduates sought by industry, the profession, and the public service as well as providing researchers for the future.

We have state-of-art laboratory facilities with all latest and sophisticated equipments needed to help the students have an experimental insight into the subject as prescribed by the syllabus. Some of the key equipments include Colour Digital Storage Oscilloscope, Microprocessor kits, Spectrometers, LCR Q-testers, Laser Kits, Universal Interferometer, Ultrasonic Grating Experimental kit with CCD Camera, P-E Hysteresis Experiment kit, Digital I.C. Testers etc. We have introduced both quantitative (problem-oriented) and qualitative (motivational in nature) approach to experiments in our laboratories. Demonstrators are available to help with the practical work when the lab sessions are conducted. Research in the Department is being pursued in many of the contemporary major areas of theoretical and experimental physics and the groups involved in these areas are broadly clubbed together for their research work.

Objectives

- To provide education in Physics of the highest quality at the undergraduate level and so produce graduates of the caliber sought by industry, the professions, and public service as well as providing the academic teachers and researchers of the future;

- To encourage and pursue research of the highest quality in the areas where basic and advanced principles of Physics are used, and maintain BCAS's position as one of DU's leading colleges in these fields;
- To continue to attract outstanding students from all backgrounds;
- To provide an intellectually stimulating environment in which students have the opportunity to develop their skills and enthusiasms to the best of their potential;
- To maintain the highest academic standards in undergraduate teaching and to develop new areas of teaching and research in response to the needs of the community and society

Activities

The Physics Society "QUBIT" organizes annual Physics fest "Z-gravity" in which eminent academicians interact with the students to keep them abreast with the latest developments in different areas of Physics. It is intended to promote interactions between members of the Department - faculty, students and staff - in both academic and non-academic fields. The Society is run by the students under the guidance of faculty advisers. This Society organizes annual Physics fest "Z-gravity" in which eminent academicians interact with the students to keep them abreast with the latest developments in the different areas of Physics.

The students from the department visited National Physics Laboratory New Delhi on September, 09, 2016. The visit was organized by Physics Society. The visit started with the Time and Frequency Section of the National physical laboratory where they maintain the IST (Indian Standard Time) +5.30 UTC. The students attended demonstrations on MRF (Magnetic Rheological Fluids), EPR (Electron Paramagnetic Resonance), SAR (Specific Absorption Rate), SIMS (Secondary Ion Mass Spectrometry), and many more. The students gained insights on different scientific phenomena. The students also attended India International Science Festival held at National Physics Laboratory New Delhi from Dec 7, 2016 to Dec 11, 2016. Students had opportunity to gain incredible insights on innovative ideas, edge-cutting researches and vast amount of knowledge.

Apart from this, Physics Society, operating a 'hub and spoke' system of liaising with faculties and delivering careers education within teaching programmes, had invited Dhananjay Gadre, Professor at NSIT Dwarka to deliver a lecture on "Embedded Systems" on September 21, 2016. Prof Surendra Dhaka from Rajdhani College, University of Delhi, had also delivered a lecture on Atmospheric Sciences and Radar in the month October, 2016.

Department of Polymer Science

Department of Polymer Science was established in 2004. Department of Polymer Science has well equipped laboratories to train the students with synthesis, processing and testing of polymers insight into the subject as prescribed by the syllabus. The laboratories are having all the latest facilities to meet the requirements of the experimental set-up to the mark of industrial use. The course is designed to provide adequate opportunities for students to learn polymer synthesis, processing, testing and characterization of plastics, rubbers and fibers. The students undergo two months industrial training / internships. Apart from the syllabi experiments, students are also trained to get expertise in handling, maintenance and troubleshooting of equipment available in the laboratories. The Department has equipments which include Single Screw Extruder, Two- Roll Mill, Injection Molding Machine, Compression Molding Machine, Universal Testing Machine, Impact Tester, Viscometers, Flammability Tester, Vicat Softening Point Tester, HDT Tester, Permeability Tester, Resistivity Tester, Oscillating Disc Rheometer, Abrasion Tester, Rockwell Hardness Tester, FTIR and Homogenizer.

Objectives

- To make students competent enough for pursuing higher studies and research in Polymer Science.
- Development of high caliber manpower for a wide range of polymer industries.

Activities

Department of Polymer Science organizes National Seminars/Workshops on emerging areas of Polymer Science & Technology. The department also regularly conducts popular Talks/lectures, industrial visit of the students, etc. The activities of 2016-2017 are listed below

- Four Innovation projects, funded by University of Delhi, were successfully completed. Dr Saroj Kumar Shukla, Dr. Susmita Dey Sadhu, Dr. Sidhharth Sirohi, Dr. Krishan Dutt, Dr. Manjeet Singh Barwa and Dr. Prem Lata Meena were the Principal Investigators in the above projects.
- Dept. of Polymer Science organized one day seminar on “**Career Opportunities for Polymer Engineers**” at Bhaskaracharya College of Applied Sciences in association with IPI Delhi chapter on August 12, 2016. Prof. A.K Ghosh, (Head, Centre for Polymer Science & Engineering, IIT Delhi), Dr. G. S. Kapoor (GM, Petrochemicals, Indian Oil Corporation Ltd.), Mr. Samit Jain (Pluss Polymers Advanced Technologies (Gurugram), Ms. Ish Walia (Pluss Advanced Technologies) & Mr. D.K. Jain (Director- R&D, Pluss Advanced Technologies) delivered lectures on various topics of polymers.
- One day workshop on “**Software Training Programme**” organized under DU Innovation Project (BCAS-302) on July 29, 2016.
- **Hands on Training Visit** was organised by Department of Polymer Science to USIC, University of Delhi on September 16, 2016.
- The college organized a two-day National Workshop on “**Intellectual Property Rights: Culmination of Research**” September 23-24, 2016 in association with Ministry of Micro, Small and Medium Enterprises, Govt. of India. The faculty of Dept. of Polymer Science were actively involved in the workshop as coordinator,

members of organising committee. The students of polymer science also participated in the workshop as volunteers.

- Students of Polymer Science along with faculty members participated in the launch meet of *Plastivision-17*, organised by All India Plastics Manufacturing Association (AIPMA) on September 29, 2016 at Leela Ambience, Gurgaon.
- Three faculty members of Polymer Science participated in technical talk Dr.U.K.Saroop (Vice President, Prayag Industries) on “*Sustainability & Packaging of Edible Commodities Using Polyolefins*” organized by Indian Plastics Institute, Delhi on December 2, 2016 held at India International Centre, New Delhi.
- Department of Polymer Science organized Lecture of Dr. D. Parida (University of Bordeaux, France) on “*Catalysis by Nanoparticles*” on December 14, 2016.
- Faculty and Students participated in the launch meet of *Plastivision-17*, organised by All India Plastics Manufacturing Association (AIPMA) on December 17, 2016 at Holiday Inn, Mayur Vihar, Delhi.
- B.Sc. (H) 3rd year polymer science students visited *Nidhi Enterprises* at Bawana on January 11, 2017 and were given exposure to polymer recycling process.

Department of Biology

Biology is the study of living organisms at all levels of organizations. Broadly, living organisms include Microbes, Plants and Animals. The cell, a basic structural and functional unit of living organisms, contains instructions in genome for function. A Biologist study the Building blocks of life, Metabolism and production of energy molecule, Genetics and the role of genome for the different processes, Physiology of organisms, the pattern and Evolution of diversity etc.

Biological advances have led to high standard of living as a result of advances in Food production and disease control. Future directions in Biology shall have interest in control of Human population and development of efficient methods of producing food. The role of Genetic information in understanding the diseases such as Alzheimer, Arthritis and Cancer requires understanding of Genetics and manipulations of hereditary material. Another area which requires understanding is the climate change and destruction of natural ecosystem.

The science of Biology is a multidisciplinary field. The students are trained to understand Theoretical and Practical implications of the subject. Some of the sectors / Industries where the training in Biology help include Academics, Biotechnology, Food, Health, Research organizations, Department of Agriculture and Fisheries, Forensic Science and Environment Department of Biology of the college has state of art laboratories with high end instruments. The Department has projector facility and two laboratories with latest instruments particularly Binocular microscopes, B.O.D. incubators, PC based UV-vis Spectrophotometer, Autoclaves, Laminar Flow, Refrigerated Centrifuge, Growth chamber, ELISA reader, Digital blood cell counter, Digital hemoglobin reader, Digital blood analyzer, ph-meter, Electronic balances, Vortex shaker, Electrophoresis apparatus and UV trans illuminator, Ice flaking machine etc.

Faculty details

S. No	Name	Degree	Specialization
1	Dr. N. S. Abbas	Ph.D.	Plant Biotechnology
2	Dr. Anil Kumar Bali (Teacher-in-Charge)	D.Phil.	Microbial Molecular Biology and Biotechnology Medical Physiology
3	Dr. Sujata Bharadwaj	Ph.D.	Ethnobotany and Environmental studies

Department of Biochemistry

The Department of Biochemistry is one of the most vibrant departments, indispensable to the college as this subject is an integral component of various courses offered by our college. Biochemistry is a field that draws on many disciplines and this multidisciplinary nature allows it to use results from many sciences to answer questions related to the molecular nature of life processes. Important applications of this kind of Knowledge are made in a wide spectrum of fields such as Biotechnology, Food Technology, Microbiology, Health Care, Medical Instruments, Agriculture, Fisheries, Blood Bank, Forensic Science, Medical Diagnostics, Environment, Pollution control etc

Infrastructure

The Department of Biochemistry has well equipped laboratories with an LCD projector to deliver practical classes. It has the latest equipment like Spectrophotometers (UV-VISIBLE and VISIBLE), Electrophoresis Apparatus (Rod gel, Horizontal gel, Vertical gel, Paper), Auto-Titrator, Chromatography systems (Ascending, Descending, Gel Filtration, TLC), pH meters, Centrifuges, Laminar Flow, Water Distillation Apparatus, Cooling Cabinets, Trans-illuminators, Vortex Shaker, Heating Mantles, Magnetic Stirrers, Water Baths etc

Faculty details

S. No	Name	Degree	Specialization
1	Dr. Anita Sondhi	Ph.D.	Medical Biochemistry

Department of Chemistry

The Department of Chemistry offers all General Elective papers in Chemistry and Environmental Sciences paper to all courses of the college. The students are individually encouraged to perform experiments and handle the instruments. After graduation, students have lucrative career options in Research & Development and managerial positions in pharmaceuticals, petroleum and various chemical industries.

In house research, exploration can be carried in the laboratories itself where simulation based experimentation and exploration can be performed before the actual experiments are carried out. The laboratories are well equipped with sophisticated instruments. Some notable instruments are electronic and analytical balances, pH-meter, hot air oven, double distillation plant, vacuum pump, de-ionizer, spectrophotometer, polarimeter, colorimeter, digital potentiometer, digital melting & boiling point apparatus, conductivity meter and fuming hood chamber enable the students to carry out all the experiments as prescribed in the syllabus as well as small projects.

The department has dedicated laboratories to conduct research work in various leading areas of chemistry which are equipped with sophisticated instruments funded by BRNS, SERB and University of Delhi. Currently, two students are pursuing Ph.D in the department.

Department of Human Communication

“Every person on this earth is full of great possibilities that can be realized through imagination, effort and perseverance”
-Scott B. Kaufman

The above quote defines the philosophy of the Department of Human Communication; whereby individual differences of the students are celebrated, nurtured and fine-tuned to help them become the best versions of their own self.

Humans are nature's best creation and understanding their psyche and exploring various facets and nuances about human behavior is one of the most wonderful and engaging journeys taken under the discipline of Psychology. As various media indicates that knowledge and application of Psychology and its principles is need of the hour. From academic performance to mob mentality and making sense of social fabric to understanding work behavior, Psychology helps in unraveling the underlying issues and suggesting possible solutions. As the name suggests, it is a window to an inner world, which enriches the experience of the outer world. With its very innovative and indigenous means of learning, it helps students evolve better as an individual, student, professional and of course a better human being as well.

The various subjects taught in the past have helped in imparting knowledge to the students in the fields of “Human Communication”, “Women, Science and Society”, “Organizational Behavior”, “Principles and Functions of Management”, “Integrating and Mind, Body and Heart”. Currently under the CBCS mode papers like “Psychology of Health and Well-being”, “Youth Psychology”, “General Psychology” and “Psychology and Media” besides “Environmental Studies” are being taught to the students enrolled. These subjects prepare our students for the ever-evolving world of communication and human development and carving a professional niche for themselves and also have helped the alumni to score highly at the management tests and perform impressively in their careers. The course curriculum is taught with the help of lectures, group discussions, experiential exercises, group projects, presentations, workshops and seminars. The unique course structure helps not only in academic excellence but also prepare students for vocational expertise that further enhances their employability. The aim of the department is to encourage and promote holistic development of our students, which can help them live a more fulfilling, and meaningful life always.

1	Dr. Madhulika Bajpai (Teacher-In-Charge)	Ph.D.	Psychology

Department of Mathematics

Mathematics is one of the most fundamental and basic courses knowledge of which is indispensable in almost every field. It is a fundamental part of human thought and logic, and integral to attempts at understanding the world and ourselves. Mathematical knowledge plays a crucial role in understanding other fields such as science, social sciences, and even music and art. Industry managers, engineers, and scientists require a personal repertory of mathematical tools to find solutions to a variety of work problems. These problems relate to processing, research, analysis, and other operations that require mathematical solutions

Mathematical methods are integral to the study of any field of sciences be it Physics, Computer Science, Electronics or Instrumentation. Department of Mathematics takes General Elective and other mathematics papers for all courses of the college. Our committed faculty members, specializing in different branches of the subject, ensure that our students receive the best possible instruction in the subject. This means imparting sound knowledge of mathematical concepts by using a variety of pedagogical practices such as seminars, conferences along with conventional classroom teaching methodology. The Department exemplifies the philosophy ‘The only way to learn mathematics is to do mathematics.’ Though the Department strives to build a strong foundation of mathematical concepts in students by means of instruction, it also recognizes and encourages the importance of creative exploration and discovery by the students themselves. The Department aims to inculcate academic rigour, critical reasoning as well as independent thinking in the students.

Department of Physical Education

Details of Department and Infrastructure

The college encourages students for their holistic development through sports in and out of the college campus. The college sports facility consists of one basketball court, volley ball court, cricket ground, football ground, lawn tennis court, two badminton court, table tennis room, gymnasium to see that maximum development of the students. College not only takes care of physical development but mental, social, emotional, spiritual and intellectual development is also given equal value through physical education and sports. Our college students participated in various sports events organized by University of Delhi and other institutes.

Achievements

1. Ajay Dhama of B.Sc. (H) 3rd year, Department of Physics represented University of Delhi in North Zone Volleyball tournament. He also represented Delhi in Youth National Volley Ball Championship played at Nagpur.
2. Surender Singh Pal of B.Tech 3rd year, Department of Food technology secured 2nd position in 20 Km walk at inter college athletic meet.
3. College football team for the first time reached in top 12 teams of football in football inter-college cricket tournament after winning their first 3 matches.

STUDENTS' PROFILE

DEPARTMENT OF BIOMEDICAL SCIENCES

STUDENTS PROFILE

B.Sc. (Hons) Biomedical Science

Name : Akash T. S.
Date of Birth : 27-02-1996
Permanent Address : RZ-C-132A S/F Backside, Gali No. 10, Gurudwara Road, Mahavir Enclave Part-1, New Delhi-110045
Current Address : Same as Permanent Address

Academic Qualification:

	University/ Board	Institution	Percentage/ CGPA	Year of Passing	Remark
B.Sc. (Hons)	Delhi University	Bhaskaracharya College of Applied Sciences	1 st Year:86.18%		Sem I : 85.6% Sem II: 86.8% Sem III: 89.6% Sem IV: 83%
			2 nd Year:86.33%		
			3 rd Year:		
12 th	CBSE	St. Martin's Diocesan School	89.6%	2014	Subjects: English, Mathematics, Physics, Chemistry, Biology
10 th	CBSE	St. Martin's Diocesan School	10.0 CGPA	2012	Subjects: English, Hindi, Mathematics, Science, Social Science

Workshop/Training:

- Part of Innovation project: **BCAS:308** "*Exploring the involvement of Mechanotransduction Network in Inter Individual Differences through Ayurgenomics*" under the guidance of **Project Investigators** : Dr. Uma Dhawan, Dr. N.S. Abbas, Dr. Pawas Goswami , **Mentor**: Dr. Mitali Mukherji, CSIR-IGIB and **Collaborator** : Dr. Bhavana Prasher, CSIR-IGIB.
- Attended three days' workshop on "*Statistical Analysis of Biological data*" organized by "**Department of Biomedical Science, Bhaskaracharya College of Applied Sciences**" at "**Bhaskaracharya College of Applied Sciences, University of Delhi**".
- Attended twodays workshop on "*Proteomics and Proteogenomics*" organized by "**Department of Biomedical Science, Bhaskaracharya College of Applied Sciences**" at "**Bhaskaracharya College of Applied Sciences, University of Delhi**".

- Participated in three days “*National Science (VIJYOSHI) Camp*” organized by the “*Kishore Vaigyanik Protsahan Yojana (KVPY)*” in association with “*INSPIRE program, DST and IISER, Kolkata*” at “*Eastern Zonal Cultural Centre, Kolkata*”.

Curricular/Extra-Curricular Activity:

- Selected as a “**KVPY fellow**” in Science Stream SB under **KVPY-2014**.
- Participated in “*10th Symposium on Frontiers in Biomedical Research*” organized by “**Dr. B.R. Ambedkar Centre for Biomedical Research (ACBR), University of Delhi**”.
- Participated in “*National Symposium on Lifestyle Disorders: Understanding the Molecular Mechanisms*” organized by “**Department of Biochemistry, Shivaji College, University of Delhi**”.
- Contributed as a Coordinator in the event “**GENESIS’15**” organized by the “**Department of Biomedical Science, Bhaskaracharya College of Applied Sciences, University of Delhi**”.
- Contributed as a Coordinator (Creative team) in the “**Annual inter college cultural festival- SRIJAN’16, Bhaskaracharya College of Applied Sciences, University of Delhi**”
- Volunteered in the event “**Songs of India**” organized by “**The Culture Council , University of Delhi**” at “**Bhaskaracharya College of Applied Sciences, University of Delhi**”
- Participated and Secured “*Second Position*” in the event “**X-quiz-it**” of “**PLEXUS’15**” organized by the “**Department of Biomedical Sciences, Shaheed Rajguru College of Applied Sciences For Women, University of Delhi**”.
- Secured “*Third Position*” in College (1st year) in the “**Annual Examination of University of Delhi held in the year 2014-15**”.
- Participated in **Delhi Heat** of “*GREAT Debate 2015*” conducted by “**British High Commission**” co-hosted by “**Sri Venkateshwara College, New Delhi**”.

Name : Akshaya C Nambiar
Date of Birth : 06-08-1995
Permanent Address : Irringadu House, Muyyam PO, Karimbam Via, Kannur
Current Address : JG-II, 702-A, Vikaspuri, New Delhi - 110018

Academic Qualification:

	University/ Board	Institution	Percentage/ CGPA	Year of Passing	Remark
B.Sc. (Hons)	Delhi University	Bhaskaracharya College of Applied Sciences	1st Year:88.81%		Sem I : 89.66% Sem II: 87.8% Sem III: 88.83% Sem IV: 87.5%
			2nd Year:88.1%		
			3rd Year:		
12th	CBSE	Columbia Foundation Sr. Sec. School	88%	2013	Subjects : English, Mathematics, Physics, Biology, Chemistry
10th	CBSE	Columbia Foundation Sr. Sec. School	10 CGPA	2011	Subjects :English, Science, Social Science, Sanskrit, Mathematics

Workshop/Training:

- Part of Innovation project : **BCAS:308**“*Exploring the involvement of Mechanotransduction Network in Inter Individual Differences through Ayurgenomics*” under the guidance of **Project Investigators** : Dr. Uma Dhawan, Dr. N.S. Abbas, Dr. Pawas Goswami, **Mentor** : Dr.Mitali Mukherji, CSIR-IGIB and **Collaborator** : Dr. Bhavana Prasher, CSIR-IGIB
- Attended a three days’ workshop on “*Statistical Analysis of Biological data*” organized by “**Department of Biomedical Science, Bhaskaracharya College of Applied Sciences**” at “**Bhaskaracharya College of Applied Sciences, University of Delhi**”
- Attended a two days’ workshop on “*Proteomics and Proteogenomics*” organized by “**Department of Biomedical Science, Bhaskaracharya College of Applied Sciences**” at “**Bhaskaracharya College of Applied Sciences, University of Delhi**”
- Attended a One day workshop cum camp on “*FOLDSCOPE*” jointly organized by “**Department of Biotechnology, Govt. Of India & Sri Venkateshwara College, University of Delhi**” at “**Sri Venkateshwara College, University of Delhi**”

Curricular/Extra-Curricular Activity:

- Participated in “*10th Symposium on Frontiers in Biomedical Research*” organized by “**Dr. B.R. Ambedkar Centre for Biomedical Research (ACBR), University of Delhi**”.
- Attended an interactive session on “*FOLDSCOPE*” organized by “**Department of Biotechnology**” at “**Gargi College, University of Delhi**”
- Participated in “*National Symposium on Lifestyle Disorders: Understanding the Molecular Mechanisms*” organized by “**Department of Biochemistry, Shivaji College, University of Delhi**”.
- Participated in “**GENESIS’15**” organized by “**Department of Biomedical Science, Bhaskaracharya College of Applied Sciences, University of Delhi**”.
- Coordinated (Creative team) in “**Annual inter college cultural festival- SRIJAN’16**”, **Bhaskaracharya College of Applied Sciences, University of Delhi**.
- Coordinated the cultural event organized by “**DNAmics Society of Department of Biomedical Science, Bhaskaracharya College of Applied Sciences, University of Delhi**”.
- Volunteered (Food Management) in “**Annual inter college cultural festival- SRIJAN’15**”, **Bhaskaracharya College of Applied Sciences, University of Delhi**”
- Volunteered in the event “**Songs of India**” organized by “**The Culture Council , University of Delhi, Bhaskaracharya College of Applied Sciences, University of Delhi**”.
- Volunteered in “**Annual inter college cultural festival - SRIJAN’16**”, **Bhaskaracharya College of Applied Sciences, University of Delhi**.
- Participated and secured “*First Position*” in **University Examinations. (Biomedical Science, First year)**
- Participated and secured “*Second Position*” in “*Creative Writing*” event held at **Bhaskaracharya College of Applied Sciences, University of Delhi**.
- Participated and secured “*First Position*” in “*Debate Competition*” event held at **Bhaskaracharya College of Applied Sciences, University of Delhi**.
- Participated and secured “*Second Position*” in “*Turn It Around*” competition event of the **Annual Intercollege Cultural Festival SRIJAN’16, Bhaskaracharya College of Applied Sciences, University of Delhi**.
- Participated in the “**GREAT DEBATE**” 2015 Competition (Delhi Heat), organised by **BRITISH HIGH COMMISSION**.
- Coordinated in the play “**Khamat of the Seven Sisters**”, organised by the “**NORTH EAST CELL**” of **Bhaskaracharya College of Applied Sciences, University of Delhi**.
- Volunteered in “**Aakriti – Fine Arts Club**” at “**Bhaskaracharya College of Applied Sciences, University of Delhi**”.
- Participated in “**Discussion Parliamentaria**” organised by “**Confianza, Debating Society**”, **Bhaskaracharya College of Applied Sciences, University of Delhi**.

Workshop/Training:

- Part of Delhi University Innovation project: **BCAS:308 “Development of norms of selected autonomic nervous system functions, lipid profile, electrolyte and selective respiratory variables of college students with and without sports background”** under the guidance of **Project Investigators:** Dr.Pawan Kumar, Dr. Lalit Kapoor, Dr. Anil Bali, **Mentor:** Dr. Dhananjoy Shaw, Indira Gandhi Institute of Physical Education and Sports Sciences.
- Completed an add on course on **“Bioinformatics and In Silico Drug Discovery”** organized by **“Department of Biomedical Sciences, Acharya Narendra Dev College and Bhaskaracharya College of Applied Sciences”**
- Attended one day workshop on Vedic Mathematics organized by **Bhaskaracharya Cell of Bhaskaracharya College of Applied Sciences on 18-01-2016**

- Presented a paper entitled “*frequency domain analysis of selected heart rate variability(HRV) and respiratory variables of male sports student and non-sport students from science stream background-a comparative analysis*” at International Conference on Physical Education and Sport Science held at new Delhi on 9th October 2016. (paper id-AS-PESS-DELH-09106-488) Organized by **ASIAN SOCIETY OF ACADEMIC RESEARCH** and won excellent paper award.

Curricular/Extra-curricular Activity:

- Participated in “**Songs of India Choir Competition**” 2015 at **Bhaskaracharya College of Applied Sciences** and secured “**Second Position.**”
- Participated in “**Songs of India Choir Competition**” 2016 at **BCAS** and secured “**Third position**”
- Participated in “**Inter College Choir Competition 2015**” at **Deen Dayal Upadhaya College.**
- Participated in “**Antardhawani, Delhi University Annual festival 2015**” in Group Song Category and secured “**Second Position.**”
- Participated in “**Antardhawani, Delhi University Annual festival 2015**” in Rock Band Competition and secured “**Third Position**”.
- Participated in “**Poster making Competition**” at **BCAS** and secured “**Second Position**”.
- Participated in “**Annual sports day, Volley ball Competition 2015**” and secured “**First Position**” at **Bhaskaracharya College of Applied Sciences, University of Delhi.**
- Participated in “**Annual sports day, Volleyball Competition 2016**” and secured “**First Position**” at **Bhaskaracharya College of Applied Sciences, University of Delhi.**
- Participated in “**Annual sports day, Basketball Competition 2016**” and secured “**First Position**” at **Bhaskaracharya College of Applied Sciences, University of Delhi.**
- Participated in “**Annual sports day, Cricket Competition 2016**” and secured “**Second Position**” at **Bhaskaracharya College of Applied Sciences, University of Delhi.**
- Participated in “**Annual Sports Day, Shot Put Competition 2015**” and secured “**Third Position**” at **Bhaskaracharya College of Applied Sciences, University of Delhi.**
- Participated in “**Annual College Festival Srijan 2016**” as Coordinator (creative team), at **Bhaskaracharya College of Applied Sciences, University of Delhi.**
- Participated in Biomedical Science Department Annual Festival “**DNAmics**” 2016 as Coordinator (cultural event), at **BCAS, University of Delhi.**
- Participated in **Biomedical Science Department Annual Festival DNAmics 2015, Bhaskaracharya College of Applied Sciences.**
- Volunteered in “**Annual Sports Day 2016**” at **BCAS, University of Delhi.**
- Volunteered in “**Annual Sports Day 2016**” at **BCAS, University of Delhi.**
- Volunteered (Hospitality) in “**SRIJAN 2016 Annual Intercollege Cultural Festival**” at **Bhaskaracharya College of Applied Sciences, University of Delhi.**
- Positioned as “**Secretary**” of “**Music Society - 2016**”, at **Bhaskaracharya College of Applied Sciences, University of Delhi.**

10th	CBSE	Modern Era Convent	10 (CGPA)	2012	Subjects: English, Hindi(Course A), Mathematics, Science, Social Science

Workshop/Training:

- Working under the **Innovation Project ‘Identification of Genetics Factors for Coronary Artery Disease and its association with other Atherogenic risk factors in young Indians’** under the guidance of **Project Investigators:** Dr. Uma Dhawan, Dr. Neha Sharma, Dr. ArtiBatra, Dr. Neeru Sharma; **Mentor:** Dr. Shantanu Sen Gupta
 - Estimated holoTC levels in samples.
 - Correlated the levels of holoTC, vitamin B12 and folate with other atherogenic risk factors like lipid parameters.
 - Genotyped a few relevant SNPs (about 10) that are associated with CAD in Indian population.
 - Developed a website containing the relevant information and reports related to Vitamin B12.
- Participated in two days’ workshop on **Proteomics and Proteogenomics** organised by **Star College Scheme, Bhaskaracharya College of Applied Sciences**
- Attended the workshop on **FOLDSCOPE** held at **Gargi College**

Curricular/Extra-Curricular Activity:

- Participated and secured “**first position**” in “**Basketball**” on Annual Sports Day held at

Bhaskaracharya College of Applied Sciences, University of Delhi.

- Contributed as **Co-ordinator** in “**ECO CLUB**” events at **Bhaskaracharya College of Applied Sciences, University of Delhi.**
- Contributed as **Co-ordinator** in “**DNAmics**” society at **Bhaskaracharya College of Applied Sciences, University of Delhi.**

5. NPTEL Certification course in '**VLSI Technology**' during Feb to May 2015, **IIT Bombay**

Workshops Attended:

1. Participated in National Workshop organised by Dept. of Electronics, MAC, DU on **Basic Optics, Fibre Optics and Optical Communication** during March 8 to 10 2014
2. Attended International Conference on **Signal Processing & Integrated Networks** on 20 to 21 Feb, 2014 at **Amity University**, Noida
3. Participated in the **103rd Indian Science Congress** at **University of Mysore** from Jan 3 to 7, 2016
3. 3 days workshop on "**PRINTED CIRCUIT BOARD DESIGNING**" organized by "**Tevatron Technologies**" during 24 to 26 March, 2015
4. 1 day workshop on "**ROBOTICS**" organised by "**CETPA**" on 5/11/2014.

5. 1 day workshop on "**EMBEDDED SYSTEMS**" by "CETPA" on 01/03/2015.
6. 1 day workshop on "**EMERGING TECHNOLOGY & ITILV3.0**" organised by "**Milestone Achievers**" on 15 Sept. 2015
7. 1 day workshop on "**AVR microcontroller**" by 1st Feb. 2016 by **Excel Technologies**
8. Participated in '**MINE IT BOT**' during **ROBO DARE 2015** at MAC College, DU

Papers Presented :

1. Presented paper entitled "**Li Fi : A Helping Hand in Digital India Initiative**" in the One Day Synopsium to celebrate International Year of Light on 28 Oct 2015 at DDU
2. Presented paper entitled "**A short review on MFC and a proposed approach for generation of electricity using waste water treatment**" at 2nd National Conference on Student Driven Research for Inspired Learning in Science and Technology on 16-17 October, 2015 at MAC, DU

Curricular/Extra-Curricular Activity:

1. Contributed as **PRESIDENT** of 'Gandhian Study Centre' during 2015-2016.
2. Participated in "**Find the Flub**" event in Techmania 2015 securing second position.
3. NSS volunteer from 2013-2016
4. Contributed as Volunteer in 'SPARKS' during academic year 2013-14 and 2014-15.
5. Volunteer Position in **Security Management** during Annual Cultural Festival **Srijan 2014, 2015, 2016**

Name : Anjali Kumari
Date of birth : 26-09-1995
Permanent Address : H.N 129, Ward-22, Irrigation Chowk,
 Bye Pass Road, Daltonganj, Palamau,
 Jharkhand -822101
Current Address : WZ-172, Street No. 10, Shiv Nagar,
 New Delhi-110058

Academic Qualification:

	University / Board	Institution	Percentage/ CGPA	Year Of Passing	Remark
B.Tech.	University Of Delhi	Bhaskaracharya college of applied sciences	1st year: 75.41	2017	
			2nd year: 85.16		
			3rd year: 81.83		
12th	Central Board of Secondary Education	Jawahar vidya mandir shyamali, Ranchi	95	2013	
10th	Jharkhand Academic council	Indira gandhi balika vidyalaya Hazaribagh	91	2011	Secured state rank 1 Rewarded by state govt.

Workshop/Training:

1. Attended the 'International Conference on Signal Processing and Integrated Networks' held on 20th -21st Feb, 2014 at Amity University.
2. 6 weeks Training on ROBOTICS (using AVR microcontroller) from 25th June to 5th August, 2015 at CETPA INFOTECH PVT. LTD.
3. Attended 2 days workshop on autonomous robotics conducted by ROBOSAPIENS at TRYST'16, IIT Delhi.
4. Attended one day workshop on AVR microcontroller conducted by EXCEL TECHNOLOGIES on 1st Feb in college.
5. Member of student research group under Innovation project on Microbial fuel cell.
6. Co-author of the paper titled "A short Review on Microbial fuel cell technology and a proposed approach for generation of electricity using waste water treatment " published in **International Journal for Scientific Research and Development** and presented the same at **National Conference on "student driven research for inspired learning in science and technology"** held on 16-17oct, 2015 organised by Maharaja

Agrasen college, university of delhi.

7. Attended one day workshop on **emerging technologies** conducted by milestone achievers held at college on 15th sep 2015.
8. Honoured with the award of excellence in the field of academics on the occasion of international women's day celebration organised by ABVP.

Curricular/Extra-Curricular Activity:

1. Member of girls cricket team of electronics department in the inter department cricket tournament and won a gold medal.
2. Participated in inter department basketball match and won silver medal.
3. Won a gold medal in badminton doubles.
4. Participated in technical rangoli competition in the electronics departmental fest and secured first position.
5. Volunteered in the annual day celebration of college.
6. Treasurer of electronics society SPARKS.
7. Contributed as Discipline coordinator in the annual college cultural festival SRIJAN'16.
8. Volunteered for NSS.
9. Green belt in karate.

Name : Sushmita
Date of Birth : 27-04-1997
Permanent Address : 67, Shivlok Colony Shikarpur,

B. Tech.	Delhi University	Bhaskaracharya College of Applied Sciences	1st Year: 66%	2017	
			2nd Year: 74.08%		
			3rd Year: 72.41%		
12th	U.P Board	S S BVM Inter college shikarpur Bulandshahr	88.4%	2013	
10th	U.P Board	S V Mandir kanya high school shikarpur Bulandshahr	77%	2011	

Workshop/Training:

1. Training at CETPA Infotech Private limited Six Weeks Summer Training on “**Embedded System (Using AVR)**”
2. Attended two days workshop on Autonomous Robotics conducted by Robosapiens at **IIT-DELHI**.
3. Participated in the National Workshop on **Printed Circuit Board Designing** organized by Our College in collaboration with **Tevatron Technologies Private Limited**.
4. Attended workshop on **AVR Microcontroller** conducted by **Excel Technologies**.
5. Attended **the international conference on signal processing & integrated networks** at Amity University.
6. Attended workshop on **Emerging Technology** conducted by **Milestone Achievers**
7. Involved in a innovation project based on Microbial Fuel Cell of **Delhi University**.

Curricular/Extra-Curricular Activity:

1. Volunteered for NSS.
2. Won a Gold Meadal in interdepartmental girls **Cricket Match**.
3. **Won a Silver Meadal in interdepartmental girls Basketball Match**.
4. Participated in Rangoli competition and won First prize in departmental Fest “**TECHMANIA**” .

Name : Prateek Gupta
Date of Birth : 26-12-1994
Permanent Address : House No.-210, 2nd –Floor, Sector 10-A,
 Vasundhara, Ghaziabad, U.P.-201012
Current Address : same as the permanent address

Academic Qualification:

	University/ Board	Institution	Percentage/ CGPA	Year of Passing	Remark
B. Tech.	Delhi University	Bhaskaracharya College Of Applied Sciences	1st Year: 82.5%	2017	
			2nd Year: 79%		
			3rd Year: 83%		
12th	Central Board of Secondary Education	Delhi Public School Ghaziabad Vasundhara	93.8%	2012	
10th	Central Board of Secondary Education	Delhi Public School Ghaziabad Vasundhara	CGPA- 9.6	2010	

Workshop/Training:

1. Worked at the Solid State Physics Laboratory (SSPL), Defence Research and Development Organisation (DRDO), Ministry Of Defence, as a part of summer training exercise for 6-8 weeks in May-June 2015.
2. Worked at the DCPW (Directorate of Coordination Police Wireless), Ministry of Home Affairs, as a part of the summer training exercise for 8 weeks.
3. Worked as a Research Associate in the DELHI UNIVERSITY's Innovation Project-“Development of wireless sensor for detection and real time monitoring of Microorganisms.”
4. Worked as a **Research Associate** in the DELHI UNIVERSITY's Innovation Project-“ Lifestyle interventions in stress management, a study among the Delhi youth”
5. Attended the IEEE certified Workshop conducted by **Maharaja Agrasen college, University of Delhi on fiber optics and communication.**
6. Attended National Workshop on **Printed Circuit Board (PCB) designing, organized by Bhaskaracharya College of Applied Sciences, University of Delhi.**
7. Attended workshop on AVR Microcontrollers (01.02.2016) conducted by Excel Technologies.

Curricular/Extra-Curricular Activity:

1. Won an intra college competition “AS YOU SEE IT”.

2. Attended the IEEE certified Workshop conducted by **Maharaja Agarsen College**, University of Delhi on fiber optics and communication.
3. Member of the **LEADERS FOR TOMORROW (LFT)**.
4. Won an inter college group discussion competition.
5. **PRESIDENT** of Lit-Cultura, the literary society of Bhaskaracharya College of Applied Sciences.
6. Active member of the Electronics Society of the Department of Electronics, Bhaskaracharya College of Applied Sciences.
7. Active member of literary club of Bhaskaracharya college of Applied Sciences.
8. **COLLEGE AMBASSADOR** for **PROJECT AKSHAR**, Enactus SSCBS (Shaheed Sukhdev College of Business Studies, University of Delhi) which is a social empowerment project.
9. Worked as a research associate with professors of Delhi University on an innovation research project and worked on a compendium and a stress workbook featuring my name in the acknowledgement.
10. Currently working on the development of a real time monitoring sensor for detection of pathogenic growth in local beverages and food samples.
11. Attended the 103rd Indian Science Congress (ISC), conducted in Mysore, Karnataka as a student member of the ISCA(Indian Science Congress Association).

Workshop/Training:

1. 6 weeks Training on project SDH-NMS Technology at Alcatel - Lucent India.
2. 6 weeks Training on MS-OFFICE at NSIT (Netaji Subhas Institute of Technology).
3. 6 weeks Training on JAVA at NSIT (Netaji Subhas Institute of Technology).
4. 3 days National Workshop on Printed Circuit Board Designing organized by Department of Electronics, Bhaskaracharya College of Applied Sciences in collaboration with Tevatron Technologies Pvt. Ltd.
5. 2 days' workshop on ARDUINO TECHNOLOGY organised by ROBOTICS EMBEDDED EDUCATION SERVICES PVT. LTD. in association with Delhi Technical Campus (MDU), Bahadurgarh, Haryana.
6. 1 day workshop on ROBOTICS held at BHASKRACHARYA COLLEGE OF APPLIED SCIENCES in association with CETPA INFOTECH PVT. LTD.
7. 1 day workshop on EMERGING TECHNOLOGY AND ITIL V3.0 held at BHASKRACHARYA COLLEGE OF APPLIED SCIENCES in association with MILESTONE ACHEIVERS.
8. 1 day workshop on AVR Microcontroller conducted by EXCEL TECHNOLOGIES held at BHASKRACHARYA COLLEGE OF APPLIED SCIENCES.

Curricular/Extra-Curricular Activity:

1. Won 1st position in TECHNO BID EVENT in Annual Intercollegiate Technical Fest of Department of Electronics Techmania 2015 of Bhaskaracharya College of Applied Sciences
2. Won 1st position in Find The Flub Event in Annual Intercollegiate Technical Fest of Department of Electronics Techmania 2015 of Bhaskaracharya College of Applied Sciences
3. Won 1st position in Hunt And Create Event In Annual Intercollegiate Technical Fest of Department of Electronics Techmania 2014 of Bhaskaracharya College of Applied Science
4. Volunteered in SRIJAN 2016 Annual Cultural Fest of Bhaskaracharya College OF Applied Sciences in Discipline Committee.
5. Vice-President of Gandhian Study Centre
6. Active member of SPARKS Society Department of Electronics , BCAS
7. Student Member of Indian Science Congress Association
8. Member of Astronomy, Yoga And NSS Club

Workshop/Training:

- Attended seminar on “Fingerprint Technology” in Khalsa College, University of Delhi.
- Attended workshop on “Line Follower Robotics” under the guidance of “Electronics for You” team.
- Attended seminar on “Dialogue on Recycling e-waste” in association with “The Times Group”.
- Presented a research paper-presentation in National Conference on “Striving and Thriving towards diffusion of student driven research in Science and Technology for inspired learning” in Maharaja Agrasen College, University of Delhi.
- Attended workshop on “Line Follower Robotics” under the guidance of “Electronics for You” team.
- Attended seminar on “Dialogue on Recycling e-waste” in association with “The Times Group”.
- Presented a research paper-presentation in National Conference on “Striving and Thriving towards diffusion of student driven research in Science and Technology for inspired learning” in Maharaja Agrasen College, University of Delhi.
- Completed 6 weeks Summer training in SIEMENS(a German MNC) on the topic "PLC(Programmable Logic Controllers)" and visited AMPC (Automated Mail Processing Centre), an institution of Government of India for further practical knowledge of PLCs.

- Completed 8 weeks Winter training in TCIL(Telecommunications Consultants India Ltd), a Govt. of India enterprise on the topic "Optical fibre to home service"

Curricular/Extra-curricular Activity:

- Was awarded “Best Science Student” through National Science Congress in Class XII.
- Was assigned as Executive organizer for the technical fest in the College Campus.
- Collected sponsors for the technical fest in the College Campus.
- Was selected for the 1.5 year Research Work in Innovation Project under the University of Delhi.
- Made a Line Follower Robot under the guidance of “Electronics For You” team.
- Scored 3rd rank in Physics Quiz Competition at college level.
- Participated in International Human Solidarity Day Mega event for the welfare of human beings.
- Completed 1.5 years on research innovation project (*Assessment of Brominated Flame Retardants in Mobile phones, their consumption pattern in North India and Carbon Footprints from Electronic waste*) in University of Delhi for which I also got Stipend of Rs.12000 per annum.
- Cleared the EQUITY DEALER course under NSDC and got certificate from GOVT OF india

Department: Breast Cancer Research Group

- Scientific literature review on breast cancer status in India
- Comparison with developed and other developing countries through various search engines like through PubMed, Science direct, Scribd, Springer.
- Market analysis of various treatment options and diagnostic techniques available in India focusing on their sensitivity to identify tumour, cost, availability and accessibility.
- One to one interaction with more than 400 people discussing about their knowledge on Breast Cancer and its early detection and providing them correct information.
- Provided training on Breast Self Examination by demonstrating the method of performing to more than 50 nurses and 200 women of the RWA societies.
- Created a song on early detection techniques of Breast Cancer in Hindi providing easy and stress free learning to women.
- Created a database of 1.5 lakh datapoints in MS-Excel by entering the data, converting non coded form into coded form, using various excel formulas and functions.
- Contributed in the development of the content of the research article on Assessing Breast cancer Knowledge, Practices among localites of South West Delhi.

Department: Women Hygiene Group

- Contributed in the development of the manual on Menstruation focusing on puberty, menstruation, menstrual hygiene and unfolding of myths related to menstruation.
- Market research of the variety of sanitary napkins available, their alternatives
- Analysis of the school curriculum and researched about the government actions to make girls aware about their health and hygiene.
- Interacted with school girls on menstrual problem and taught them on use of sanitary napkins and handling emergency situations via a small skit.

Conferences and Workshops

1. Ram Lal Anand College, University of Delhi

- A seminar on **Metagenomics** describing how it is shaping microbiology by acting as a method to know the physiology and genetics of uncultured microbes.
- A lecture on **Introduction to Bioinformatics** providing an overview of the field and its role in biology

2. Bhaskaracharya College of Applied Sciences, University of Delhi

Attended a seminar on **Anti-microbial Drug Resistance (AMR)** describing resistance of microbes to drugs and the ineffectiveness of the standard treatments against infections.

- ### 3. Attended the **startup jalsa event**, an innovative platform for the young entrepreneurs to interact and share their startup ideas with the investors personally and building up their future.

4. Bhaskaracharya College of Applied Sciences, University of Delhi

Attended a seminar on **Biofuels- an Alternative in Future**, highlighting their use, future and issues related to the production.

Extra-Curricular activities

- Active member of the drama and theatre society of the college.
- Participated and won in many street play events of different colleges
- Won the best female actor award among 1000 students in Udaan- A mega level street play competition (2016)
- Worked as a volunteer in the microbiology fest of the department.

Workshop/Training:

- 45 days Summer Training in “PRODUCTION” from 9 June 2015 to 25 July 2015 at “**Prime India Polymix Private Limited**” ,sec -24, Faridabad -121005.
- Worked in **Innovation Project 2015-2016 BCAS-303** at Bhaskaracharya College of Applied Sciences (Sep.2015-Sep.2016)
- Participated in “**Software Training Workshop**” on 29 July 2016 at Bhaskaracharya College Of Applied Sciences(DELHI UNIVERSITY).

Curricular/Extra-Curricular Activity:

- Presented a poster in **Vth NSACS Symposium** at Department of chemistry , Guru Nanak Dev University , Amritsar
- Participated in National seminar on “**Advancement in packaging, food and social impact**” at Bhaskaracharya college of Applied Sciences.
- Presented a poster in One day seminar on “**Polymer Modification, Processing and Characterization**” at Bhaskaracharya college of Applied Sciences.
- Volunteer at One day seminar on “**Polymer Modification, Processing and**

Characterization” at Bhaskaracharya college of Applied Sciences.

- Participated in 2nd National Conference on **“Plastics Packaging –The sustainable choice” at FICCI.**
- Participated in green campaign to preserve environment, and plantation at Bhaskaracharya college of Applied Sciences.
- Attended **Confluence**-Annual technical Conference on **“New Horizons in Chemical Sciences”** at Department of Applied Chemistry and Polymer Technology in Delhi Technological University.
- Participated in **“National Children’s Science Congress”** Uttar Pradesh, a program of NCSTC, Department of Science &Technology, Government of India on 01-Nov-2011.
- Volunteered at Two-day National Workshop on **“Intellectual Property Rights: Culmination of Research** on September 23 and 24, 2016 organized by Bhaskaracharya College of Applied Sciences in association with Ministry of MSME, Govt.of India.

Name-Nishant Jain

Date of Birth: 14-12-1994

			2nd Year: 78.4%		
			3rd Year: 79.41%		
12th	CBSE	Manav Sthali School	93%	2013	Passed
10th	CBSE	Manav Sthali School	A2	2011	Passed

Workshop/Trainig/Volunteering

- **Sai Swayam Society** for speech and hearing impaired people. Worked as a **content developer** under a national award winning social worker Mrs. Meera Bhatia for the month of June-July 2015.
- Volunteered at A “**One Day Basic Indian Sign Language Workshop**” organized by Sai Swayam Society under the Awareness Scheme of the Department of Disability Affairs (MSJE) (2015).
- Volunteered at **Job Fair for speech & hearing impaired and physically handicapped people** conducted by Sai Swayam Society at District Employment Exchange, Pusa, New Delhi, on 7th August 2015.
- Successfully completed **A1 level German language from Max Mueller Bhavan**, New Delhi.

Curricular/Extra-Curricular Activity:

- Participated in 2nd National Conference on “**Plastic Packaging –The sustainable choice**” Organised by FICCI on 19th January, 2016
- Actively participated in industrial trips to **IOCL, Panipat (2013) and Uflex.Ltd. (2015)** conducted by the college
- Student organizer at one day seminar on “**Polymer Modification, Processing and Characterization**” organized by PEARLS society of BCAS (2016).
- Volunteered at Two-day National Workshop on “**Intellectual Property Rights: Culmination of Research**” on September 23 and 24, 2016 organized by Bhaskaracharya College of Applied Sciences in association with Ministry of MSME, Govt.of India.

Projects Undertaken –

§ Delhi University Innovation Project- BCAS 204 (2014-2015)

Screening and enrichment of various polymer degrading microbes and their application in environment engineering.

§ Delhi University Innovation Project- BCAS 303 (2015-2016)

Development of Novel biodegradable thermoset polyester packaging film for industrial application.

- Actively participated and displayed the Innovation Project at **Antardhwani** (2014-2015), **University of Delhi**.
- Presented a poster on one day seminar on “**Polymer Modification, Processing and Characterization**” organized by PEARLS society of BCAS (2016).
- Presented half yearly report of DU Innovation project (BCAS 303) the project on 5th April, 2016 at **Centre for Science, Education and Communication, University of Delhi**.
- Author of paper titled “*Synthesis of well Dispersed ZnO Nanoparticles for Nanofinishing Textiles and Biomedical Applications*” presented in *International Conference on Nanostructured Polymeric Materials and Polymer Nanocomposite (ICNP 2015)* at Mahatma Gandhi University, Kerala. *Accepted for publication as book chapter in By Apple Acedmy Press, USA (Publication-Under press)*
- Presented paper on “**ZnO/Polyester Nanocomposite Films and Its Antimicrobial Properties**” at *International Conference, Advanced Polymers, Biomaterials, Bioengineering & Nano Drug Delivery, 5-7 September, 2016, Mauritius*. Organized by Asian Polymer Association (APA)(Student Travel fund was awarded by Delhi University, Research Council to present the paper at the above-mentioned conference)

			2 nd Year:84.9%		
			3 rd Year:77.2%		
12 th	CBSE	Amity International School	93.8%	2013	
10 th	CBSE	Amity International School	95%	2011	

Workshop/Training:

- Six week internship at **Jubilant Organosys, Noida** on the topic **“Preparation And Analysis of Rubber Based Adhesive For Improved Heat Resistance”**
- **Participated and anchored in national seminar on “Advancements in Packaging, Food and Social Impact”** held at **Bhaskaracharya College of Applied Sciences** on 3 November 2014.
- **Participated in seminar on “EPDM Rubber Profiles for Automotive Industry”** and **“Skill Development for the Rubber Sector”** organized by **All India Rubber Industries Association at Faridabad Industries Association House** on 30 May, 2015
- **Participated in “Vistalon EPDM Seminar”** jointly organized by **Exxon Mobil and Thakar Das and Company at Taj Vivanta Gurgaon** on 15 February 2016
- Member of **innovation project** entitled **“Development of an intelligent, eco-friendly multilayer package and nutritious snack from fruits and vegetable seeds and peels.”**

Curricular/Extra-Curricular Activity:

- Secured **1st position** in **annual examination** for the academic year 2013-2014
- Secured **3rd position** in **annual examination** for the academic year 2014-2015
- Secured **3rd position** in **annual examination** for the academic year 2015-2016
- Secured **1st position** in the event **“Trash to Cash”** organized by **TATVA** society of Department of Applied Chemistry and Polymer Technology at **Delhi Technological University**.
- Secured **2nd position** in **poster presentation competition for topic “Polymerisation of used cooking oil”** held at **Bhaskaracharya College of Applied Sciences** on 25 January, 2016

- **Member of organizing committee** for one day seminar on “*Career Prospects in Polymer Industries*” held at Bhaskaracharya College of Applied Sciences on 12 August 2016.
- Volunteered at Two-day National Workshop on “*Intellectual Property Rights: Culmination of Research*” on September 23 and 24, 2016 organized by Bhaskaracharya College of Applied Sciences in association with Ministry of MSME, Govt.of India.
- **Member of organizing committee** for seminar on “ *Polymer Modification , Processing and Characterisation*” held at Bhaskaracharya College of Applied Sciences on 25 January 2016
- Visited *5th Gail Plastasia-2016* at Pragati Maidan on 5 March 2016
- Visited *P4 Expo at India Expo Mart*, Greater Noida on 8 April 2016
- **Served as Vice President of PEARLS society of Department of Polymer Science**, Bhaskaracharya College of Applied Sciences
- **Member of chess team of Bhaskaracharya College of Applied Sciences** which went for **Inter DU chess competition** from 28-30 September 2015
- **Member of chess team of Polymer Science Department**, Bhaskaracharya College of Applied Sciences

10 th	CBSE	GSV-new multan nagar	9.4 CGPA	2011		PASSED

Workshop/Training:

- Have done undergraduate research work in inter-departmental project under DU INNOVATION PROJECT on *“Development of edible packaged low cost healthy snack from fruit and vegetable waste and study is effects on healthy individuals”*(2013-2014).
- Currently pursuing undergraduate research work in inter-departmental project under DU INNOVATION PROJECT on *“Development of intelligent, eco-friendly multilayer packaging film and a low cost healthy snack from fruit and vegetable waste.”*(2015- onwards)
- Presented paper on *“Biopolymers: a solution to environmental hazard”* in **International conference on polymers and allied materials-2014** jointly organized by IIT-Patna and HASETRI-JK-tyres.(30th-31st may, 2015) ,
- In Organizing committee of National conference on **“Advancement in packaging , food and social impacts-2014”**jointly organized by Department of Polymer Science and food technology, BCAS (3rd November, 2014).
- Attended **“Workshop on edible packaging”**, a training course provided under the aegis of STAR COLLEGE SCHEME.(28th January, 2015)
- Participated in annual technical conference on **‘New horizons in chemical sciences’** organized by department of applied chemistry and polymer technology, Delhi Technological University(13th February, 2015).
- **Secured first position** in event’ *Trash To Cash*’ organised by department of applied chemistry and polymer technology, Delhi Technological University (13th February, 2015).
- Participated in 2nd National conference on **‘Plastic Packaging-The sustainable choice-2016’** organized by FICCI(19th January 2016).

Curricular/Extra-Curricular Activity:

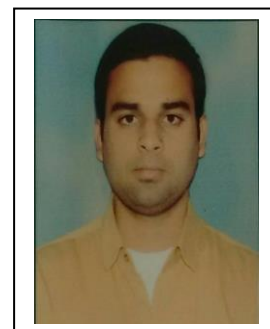

- **Secured second position** in inter-DU group song choir competitions '**Songs of India-2015**'. And bagged **third position** in '**Songs of india-2016**'.
- **Secured third position** in group song competition at '**ANTARDHWANI-2015**' annual DU cultural festival.
- **Silver medal** in inter departmental Volley-ball tournament.
- Vice-president of the college music society '**MOKSHA**'(2015-2016).
- Event coordinator of "**Kavi-Sammelan**" in annual college festival '**SRIJAN-2016**'.
- Visited '**IOCL**' **Panipat refinery** with college team under annual industrial visit (2013) and U-flex industries (film division), Noida (2015).
- Volunteered at Two-day National Workshop on "**Intellectual Property Rights: Culmination of Research**" on September 23 and 24, 2016 organized by Bhaskaracharya College of Applied Sciences in association with Ministry of MSME, Govt.of India.

Workshop/Training:

- Internship at **Bony Polymers** for 45 days.
- Internship at **Uflex Ltd** FROM 1ST JULY TO 31ST July2016
- 1 month training on Banking Finance and accounting under National Skill Development Corporation (No certificate).
- Attended a **General English** course at the level of upper intermediate between 6th January 2014-27th Feb 2014.
- Worked on project granted by UNIVERSITY OF DELHI from Nov 2014-oct 2015 on **Low Cost Edible Packaged Film.**

Curricular/Extra-Curricular Activity:

- Secured **third Position** in the academic year 2013-2014.
- Participated in national conference on **New Horizons For Indian Plastics Processing Industry** held at FICCI auditorium, New Delhi held on 8 Dec 2014.
- Presented review paper on the topic **Atomic Force Microscopy In Characterization Of Polymers** in the International Conference on Polymers and Allied Materials, held on May 30-31,2014 Patna, India.
- Participated in 2nd National Conference on **Plastics Packaging-The Sustainable Choice** held on 19th Jan, 2016.
- **Secured 2nd position** in GK quiz in SRIJAN-15.
- Participated in **E-Commerce Conclave 2015** organized by Commerce Society of SGTB Khalsa College, New Delhi held on February 10, 2015.
- Participated in **International Human Solidarity Day** on 20th December 2013.
- Served as **Delegate of ZIMBABWE** at Shri Ram Model United Nations held on 21st-22nd Feb 2015.
- **Secured 1st position** in the event **POLYMER CLAY** dated 14-02-15 held at Delhi Technological University.
- Participated in Annual technical conference on **New Horizons In Chemical Sciences** held on 15th Feb 2015.

- Member of the organizing committee of the ***National Seminar on Advancements In Packaging, Food And Social Impact*** held on 3rd November 2014.
- Presented poster on ***OXYGEN SCAVENGING FILMS*** during ***National Seminar on Advancements In Packaging, Food And Social Impact***.
- Member of organizing Committee of the One day seminar on ***Polymer Modification, Processing And Charctarization*** held on 25th January 2016.
- Presented poster on ***Wood Based Plastics*** on the one day seminar on ***Polymer Modification, Processing And Charctarization*** held on 25th January 2016.
- **Member of NSS cell** at Bhaskaracharya College of Applied Sciences.
- Volunteered at Two-day National Workshop on ***“Intellectual Property Rights: Culmination of Research*** on September 23 and 24, 2016 organized by Bhaskaracharya College of Applied Sciences in association with Ministry of MSME, Govt.of India.

Workshop/Training:

- One month internship from 1ST May 2015 to 1ST Jun 2015 at **Vin Poly Technologies (P) Ltd., Delhi**

Curricular/Extra-Curricular Activity:

- Volunteered at Two-day National Workshop on **“Intellectual Property Rights: Culmination of Research** on September 23 and 24, 2016 organized by Bhaskaracharya College of Applied Sciences in association with Ministry of MSME, Govt.of India.
- Author of paper on titled **ZnO/Polyester Composite Films with Antimicrobial Properties** presented in **International Conference on Advance Polymers, Biomaterials and Nano-drug delivery at Mauritius** from September 05-07, 2016
- Presented a poster on **“Studies on Biodegradability of Thermosetting Polyester Film of Lactic Acid, Maleic Anhydride, and Ethylene Glycol”** in National Symposium on Advances in Chemical Sciences at GNDU, (2-3 Feb., 2016) at Amritsar (Punjab), India.
- Author of paper on **“Synthesis of Well Dispersed ZnO Nanoparticles for Nanofinishing Textiles and Biomedical Applications”** presented in **International Conference on Nanostructured Polymeric Materials and Polymer Nanocomposites** (13-15 Nov., 2015) at MGU, Kottayam (Kerala), India.
- Author of paper titled **“Identification of Novel Microbial Consortia for Rapid Degradation of Synthetic Polymers”** presented in World Diversity Congress (26-29 Oct., 2015) at Mokra Gora, Serbia.
- Presented a poster on **“Synthesis of Novel Ecofriendly Thermoset Film”** in one day seminar on **Polymer Modification, Processing and Characterization** organized by PERLS, Department of Polymer Science, BCAS.
- Have done research work in Innovation Project, BCAS-204 (2013-14) entitled

“Screening and Enrichment of Various Polymer Degrading Microbes and Their Applications in Engineering Sciences” funded by University of Delhi.

- **Won 1st prize** in *“Trash to Cash”* event of **TATVA 2015**, annual technical festival, organized by Department of Applied Chemistry and Polymer Technology, Delhi Technological University, Delhi.
- Participated in National Seminar on *Advancement in Packaging, Food and Social Impact* (3 Nov., 2014) BCAS.
- **Secured 1st and 2nd position** in the college in the B.Tech.Polymer Science examination held in the year 2014-15 and 2013-14 respectively.
- **Won second prize** in slogan writing competition of the annual inter college cultural festival *SRIJAN '16*.
- Was a member of organizing committee of the one day seminar on *“Polymer Modification, Processing and Characterization”* held on January 25, 2016 at BCAS.
- **Won silver medal** in inter-department volley ball tournament at BCAS.
- Worked in research Innovation Project, BCAS-303 (2015-16) entitled *“Development of Novel Eco-Friendly Printable Packaging Films for Industrial Applications”* funded by University of Delhi.
