

Following are the minutes of the Staff Council meeting held on Sep 30, 2011 in the conference room.

- 1) Minutes of the meeting held on May 23 and July 18 were confirmed.
- 2) Decision of Delhi University to increase the University Development Fund (charged annually from students) from Rs 300 to Rs 600 was endorsed. The increased rate will be effective from the next academic session.
- 3) Report of the committee for "Infrastructure Development in the College" (formed on the advice of the governing body) was presented by convener Dr Bali, and the same was endorsed by the members (copy attached). Members also suggested a few additional measures.

Following is the list for the development of Infrastructure as decided by the Staff Council.

- I. Infrastructure for the two departments (Replica with modifications of the existing departmental model)  
Suggested place: To build an extra Floor on top of Biomedical Sciences and Computer Science Departments.
- II. Six Class rooms of the capacity of 60 (Sixty) students.  
Suggestions: To build one or two class rooms between new departments and extend the small class rooms wherever possible.
- III. To build rooms for research activities for the teachers.
- IV. Lift for differently abled persons. The lift should have the capacity of 13(Thirteen) students and Ramp from ground to the entrance of the lift.  
Suggested place: In between canteen and Polymer Science department but close to the administrative block.
- V. To have a connecting corridor between the second floor of the Library Block with the main Block.
- VI. Girls' Common room and Boys' Common Room with attached Toilets.
- VII. Medical Room.
- VIII. Extracurricular Activity Room
- IX. Room for Indoor Games
- X. Staff Room for Teachers with attached Ladies and Gents toilet for 70(Seventy) Teachers.
- XI. To increase the parking space for cars with shed or trees.
- XII. Auditorium for 1000 students with modern state-of-the-art features
- XIII. To erect collapsible gates around the sports room so that the corridors may be used.

- 4) It was decided that Dr. Ramesh Kataria will act as the Coordinator of the Equal Opportunities Cell in the college. He will co-opt members from teaching, non-teaching and students for the cell.
- 5) Conveners of various clubs, committees and societies also presented their annual reports.

Meeting ended with a vote of thanks to the chair.
