Principal's Desk

“Education is not the amount of information that is put into your brain and runs riot their undigested, all your life. We must have life building, man making, character making and assimilation of ideas. If you have assimilated 5 ideas and made education than any man who has by heart whole library”

-Swami Vivekananda

This famous quote clearly describes the Bhaskaracharya College of Applied Sciences *“If your actions create a legacy that inspires others to dream more, learn more, do more and become more, then, you are an excellent leader.”*

It is my privilege to introduce Bhaskaracharya College of Applied Sciences, a constituent college of University of Delhi, which offers eleven undergraduate courses in Science/ Applied Subjects, with an objective to develop global organizational leaders to be transformed into innovative thinkers and researchers, academicians and industrialists. The college started functioning in the year 1995 and moved to its new campus in Dwarka, New Delhi in 2003. The college has a lush green and a Wi-Fi enabled campus with adequate infrastructure. Academic pursuits of the students are fully supported by a modern, well stocked library and state of the art laboratories. The college has made significant contribution to the society in terms of producing scholars and intellectuals who have reached unequalled heights at a global level. Three students of our college have secured top University positions and others have also brought laurels in sports, co-curricular and extracurricular activities. The college has recently been accredited with NAAC “A” Grade, with a commutative CGPA score of 3.04. The college has also been awarded with “Star College Status” by Department of Biotechnology (DBT) in recognition to the introduction of enrichment programmes in the curriculum and efforts towards the society at large.

The college has well qualified and experienced faculty who are actively engaged in research/innovation projects that generate extra resources for undergraduate students. Some of the faculty members have been awarded by various organizations for excellence in teaching and research. The faculty members are quite active in attending conferences/workshops to keep themselves updated about the latest information in different fields. The faculty members have received grants from UGC, DST, DU, and MoFPI that has helped their research initiatives. Nearly 250 students have been associated with the DU innovation projects since its inception. Research exposure at the undergraduate level has helped them to build a strong foundation that is required to enter into job market. Memorandum of Understanding (MoU) has also been signed by the college which has given new dimensions to academic life, quality

of education, improved standard of research undertaken by students and faculty.

The students are imparted skills through several training programs, workshops and seminars in collaboration with academic and research institutes. With a view of inculcating leadership skills, students are encouraged to participate in various club activities. The college provides a strong platform for extracurricular activities and many of our students have brought laurels to the college. These platforms and opportunities have enormously helped our alumni to carve a niche for themselves in unorthodox careers besides contributing in the development of their personality. The faculty members are highly experienced and aim at overall grooming of their students to be technologically superior, academically competent and ethically strong. Inside the classrooms, students are trained to think critically and creatively to solve global problems, become lifelong learners and contributors to the society. The meticulous training provided by the faculty has helped students to excel in their degree programs and to undertake higher studies in their respective fields. We are proud to state that our alumni are not only pursuing higher education in best of the institutions across the county but are equally successful in their careers.

The college has a very active linkage with the industry from its inception. I am pleased to share that several students of the college are well placed in various reputed industries/organizations. To name a few, companies such as Cannon, Coca-Cola, Nestle, Uflex, Jubilant Organosys Ltd. and Ministry of Commerce & Industry (Govt. of India) and Arts et Métiers ParisTech (France) have selected some of the best students. Students have even received scholarships for their studies from different organizations. Around 10 students of the college have also been selected for CSIR-OSDD fellowship programme wherein they were exposed to high end research work.

I use this platform to introduce our final year under-graduate students to your esteemed organization for recruitment purpose or pursuing higher studies. I further wish them all a fascinating journey after graduating from BCAS. I firmly believe that your organization would be highly benefitted by the hard work and commitment of our students. I also appreciate the efforts of our vibrant Training and Placement Cell who are in constant touch with industries for the training and placement of our students. I am sure that the recruiters would find our students very competent and they will be visiting the campus on regular basis. We look forward towards enduring and fruitful relationship with our esteemed recruiters.

Dr. Balaram Pani

Principal

About the College

Bhaskaracharya College of Applied Sciences is a constituent college of University of Delhi and is entirely funded by Government of National Capital Territory of Delhi. The foundation of college was laid in October 1995 and is named after the great mathematician of 12th Century. The college has recently been accredited with 'A' Grade by National Assessment and Accreditation Council (NAAC). The college has also been awarded with 'Star College Status' by Department of Biotechnology (DBT) in recognition to the introduction of enrichment programmes in the curriculum. In recent year another 4 courses came under the star college scheme.

Initially the college was located in the PUSA Campus and finally shifted to the Dwarka Campus in the year 2003. The college presently offers eleven science courses, namely, Bachelor of Science (Honours) in Biomedical Science, Botany, Computer Science, Chemistry, Electronics, Instrumentation, Food Technology, Polymer Science, Physics, Microbiology and Zoology. Along with these eleven main departments, offering their respective courses, college has four allied departments which form the backbone of these main subjects. Recently six new Honours courses in Biochemistry, Environmental Sciences, Geology, Mathematics, Operational Research and Psychology have been approved by the University of Delhi and will start from the next academic year (2020-21).

In a short span of 25 years, the college has emerged as one of the sought after college, for studying science courses, in the University of Delhi. The college admits meritorious students, based on their performance in the higher secondary examinations. Most of the students of our college pursue higher studies in some of the renowned institutes offering masters and doctoral program across the world. The college boasts of successful alumni placed in industries, scientific institutes and other related fields.

The college witnessed outstanding placements over the years. Students during their course tenure engage themselves productively in training programs/summer internships to acumen themselves of the latest developments taking place in their respective fields of study. Working on these short term projects, help students acquire unique skill which eventually help them getting placements in Industry or Research organizations. Some of the students of our college have created new benchmarks, with placements in various industries for strategic and top leadership roles. The outgoing batch promises to set new records and break frontiers either in higher education or placements.

The Library: Overview

The College Library was set up in 1995 with the mission to cater to the information needs of the students and the faculty. The library functions as an information resource center for the college in achieving its aim.

The library is housed in a spacious and well-lit three storied building called the library block. Lower ground floor is being used mainly as stack room with a facility of reading space for 15-20 users. Upper ground floor is being used for circulation cum reference service, stack room, staff working area, entry-exit and some reading area for some 15-20 users. The top floor is mainly used as a reading room with a capacity of 120 users and a free air-conditioned Internet facility with 20 computers.

Collection

The Library has a staking length of 3396 ft. having a strong collection of more than 24000 volumes of books including reference books, 336 bound volumes of journals. The student books ratio of the library is 1:23. Library also has 1238 CD-ROMs/ DVD-ROMs. The library has developed a computerized record of more than 11000 journals' articles with bibliographic details. These are used by students for their projects. Apart from the in-house collection, the library has full access to the thousands of journals online which are being subscribed to by the Central Reference Library (University of Delhi). The Library is also subscribing to N-LIST (National Library and Information Services Infrastructure of Scholarly Contents) Programme - (a collection of E-Resources under UGC-INFONET Digital Library Consortium)

Automation

The college library is automated using LSEase software of LibSys Corporation. The library block is under eight CCTV cameras surveillance with a recording facility. The library has its own intranet.

Services and Facilities

- OPAC – Online Public Access Catalogue
- Air-Conditioned Internet Room freely available to the students and the faculty
- Article Indexing Service – Bibliographical details of the journal articles are computerized and disseminated to the users on demand
- Reprography in proximity with the Library
- Open Access
- Lending Service and Reference Service
- Newspaper Clippings

Future Plans

In future, the library proposes to make the library block centrally air-conditioned; migrate to KOHA (an Open Source Software) and to install RFID, Web-OPAC and Biometrics technology.

The library organizes orientation programmes and information literacy programme for the students. The library also organizes, to cultivate reading habits amongst students, Book Exhibitions and Displays on a regular basis. Our library grows in size and services every year to accumulate the ever expanding horizons of knowledge.

Department's Overview

Main Departments

- Department of Biomedical Science
- Department of Botany
- Department of Chemistry
- Department of Computer Science
- Department of Electronics
- Department of Food Technology
- Department of Instrumentation
- Department of Microbiology
- Department of Physics
- Department of Polymer Science
- Department of Zoology

Allied Departments

- Department of Biochemistry
- Department of Human Communication
- Department of Mathematics
- Department of Physical Education

Department of Biomedical Science

B. Sc. (Hons.) Biomedical Science program is an interdisciplinary course that prepares students for areas ranging from basic to translational research. Students study diverse subjects such as human physiology, pathology, cellular and molecular biology, human genetics, biochemistry, computational biology, biostatistics, medicinal chemistry, pharmacology, toxicology and immunology. The course has been designed such that the students initially acquire an integrated understanding of biomedical science and eventually can choose topics of their interest.

Recently the course structure has been revised to the Learning Outcome Based Curriculum Framework (LOCF) under the Choice Based Credit System (CBCS). This particularly emphasizes relating knowledge to practical scientific research. Students are encouraged to gather as much laboratory experience possible, by undertaking summer projects/ internships in research laboratories and industries.

The laboratories of the department are well equipped with instruments such as UV-Visible spectrophotometers, thermal cyclers, gel documentation system, biosafety cabinet, refrigerated high speed centrifuges, orbital shaker incubator, microtome, UV transilluminator, microplate ELISA reader, digital colony counter, digital viscometer, melting point apparatus, binocular microscopes with camera and projection system as well as other instruments including electronic balances, autoclave, colorimeters, vertical and horizontal electrophoresis units, electro-blotting system, laminar hood, magnetic stirrers, vortex shakers, ice flaking machine, ovens, etc. In short, the department has all facilities to help students gather practical skills.

Department of Biomedical Science is one of the few departments that have been awarded the Star status by the Department of Biotechnology. This award facilitates the department in conducting new experiments, short research projects/ activities, lecture series and many such activities. Workshops, hands-on-trainings, conferences are a regular feature of every academic year. Students and faculty from other colleges and universities are invited to promote linkage and interaction of students with their peers.

Faculty Details of BMS

S.No	Name	Qualification	Specialization
1	Dr Uma Chaudhry	PhD	Medical Biotechnology
2	Dr Shivani G Varmani	PhD	Medical Biochemistry and Biotechnology
3	Dr Uma Dhawan	PhD	Human Genetics and Bioinformatics
4	Dr Kapil Roy	PhD	Biophysics
5	Dr Neha Singh	PhD	Physiology and Cell Biology
6	Dr Shvetambri Arora	PhD	Medical Biochemistry
7	Dr Shubhra Barwa	PhD	Biological Sciences

Syllabus Details

SEMESTER I		SEMESTER II	
C1	BMS-101: Bioorganic Chemistry	C3	BMS-201: Principles of Genetics
C2	BMS-102: Cell and Radiation Biology	C4	BMS-202: Human Physiology and Anatomy I
AECC1	English/MIL Communication or EVS	AECC2	EVS or English/MIL Communication
GE1	Generic Elective	GE2	Generic Elective
SEMESTER III		SEMESTER IV	
C5	BMS-301: Biochemistry	C8	BMS-401: Immunobiology
C6	BMS-302: Human Physiology and Anatomy II	C9	BMS-402: Molecular Biology

SEMESTER V		SEMESTER VI	
C11	BMS-501: Biophysics	C13	BMS-601: Human Pathology
C12	BMS-502: Pharmacology	C14	BMS-602: Toxicology
DSE1	Discipline Specific Elective	DSE3	Discipline Specific Elective
DSE2	Discipline Specific Elective	DSE4	Discipline Specific Elective

GE 1-4: Generic Electives (any one per semester in semesters 1-4)

BMS-G1: Basics of Immunology

BMS-G2: Biological Chemistry

BMS-G3: Biosafety and Bioethics

BMS-G4: Biostatistics

BMS-G5: Bridging Information Technology and Biotechnology

BMS-G6: Concepts in Biotechnology^[1]_{SEP}

BMS-G7: Concepts in Medicinal Chemistry and Drug Development

BMS-G8: Intellectual Property Rights (IPR) for Biologists

BMS-G9: Pathological Basis of Diseases

BMS-G10: Pharmacology and Toxicology^[1]_{SEP}

BMS-G11: Tools and Model Organisms in Biomedical Research

SEC 1-2: Skill Enhancement Courses (any one per semester in semesters 3-4)

BMS-S1: Methods in Epidemiological Data Analysis (EDA)

BMS-S2: Medical Laboratory Diagnostics (MLD)^[1]_{SEP}

BMS-S3: Techniques for Forensic Science^[1]_{SEP}

BMS-S4: Tools in Modern Biology

DSE 1-4: Discipline Specific Elective (any two per semester in semesters 5-6)

BMS-A: Computational Biology and Drug Discovery

BMS-B: Genome Organization and Function

BMS-C: Human Genetics

BMS-D: Medical Biochemistry

BMS-E: Medical Biotechnology

BMS-F: Project Work (can be chosen only in semester 6)

Departmental Activities & Achievements

- Biomedical Science Department students attended various workshops, summits and lectures during the academic year. These included the 10th edition of the TNQ Distinguished Lectures in the Life Sciences 2020 by Dr. Venkatraman Ramakrishnan, Nobel Laureate and President of the Royal Society, London on January 24, 2020 and workshop on “Train for Clean Air: Youth Workshop” organized by Clean Air Asia India Team, September 26, 2019 at India International Centre, Delhi.
- Students also went for an educational trip to Bundelkhand University, Jhansi for attending the 3rd National Conference on Emerging Synergistic Trends in Ayurvedic and Biomedical Sciences. III Year students Samarth Dhole, Drishti Sikdar and Deepti Roy brought laurels to the department by winning the “Best Poster” award for their poster entitled “How Epigenetics Orchestrates Cellular Ageing” at the conference.
- Apart from this Dhriti Jha, Muskaan Sharma, Varnika Khattar, Deepti Roy, Deepak and Rohit P Gupta (III Year) participated as Foldscope Trainers in the Lecture-cum-workshop on Foldscope Assembly and Usage organized by Shivaji College, University of Delhi on September 20, 2019.
- Ashima Jha (I Year) won the “Best Delegate” award at the Model United Nations Convention held in Turkey on February 23, 2020.

Department of Botany

The department traces its origin back to 1995 where it used to support the requirement of the Biology program in the college. It elevated itself to offer major courses in Botany from the year 2017 at the college. The emphasis on undergraduate (UG) programs at present is to give a comprehensive professional training in the field of Plant Biology and Plant biotechnology. The department provides a warm, comfortable, disciplined, competitive, and healthy environment for learning and overall growth of students. The faculty members are committed to excellence in education and research and are proud of the outstanding students and staff who make this possible. Our department is committed to maintaining an environment of discipline and inclusiveness. The course is an amalgamation of classical Botany as well as the allied branches of Botany. Innovation teaching aids are used for better understandings of students. Students are exposed to field conditions to familiarize with the distribution and pattern of flora and fauna in the form of college trips. Besides, seminar, workshop, hands on training, symposia, invited lectures and popular lectures are being conducted as an integral part of the academic program in the department. A wider exposure is provided to the students by giving an opportunity to undertake summer training in various fields of Science and Technology. The department has well equipped laboratories with the scientific equipment's, desktop computers and projectors. The laboratories are designed in such a manner that it is well illuminated and aerated even without electricity. The department has a separate media preparation room, a tissue culture room and molecular biology experimental room caters to the research needs of the faculty and the students.

Departmental Activities & Achievements

- The Botanical society organizes its annual fest ‘Blossom -II’. This year the botanical society organized its fest on 18th February 2020. Prof. K.S. Rao, HOD, Department of Botany, University of Delhi, Delhi and Prof. Arun Jagananath, Department of Botany, University of Delhi, Delhi delivered lectures. The lectures were followed by different student activities such as a poster presentation, BCAS got talent, Science quiz, Slogan writing, Plantastic, Test your senses and Fun games.
- The Department of Botany organized various educational visits such as to Shimla on March 14-18, 2019 where students visited Directorate of Mushroom Research (DMR), Solan, Central Potato Research Institute, CPRI Shimla, Zoological Park in Kufri, Advanced Instrumentation Research Facility [AIRF], Jawaharlal Nehru University on September 24, 2019.
- National Bureau of Plant Genetic Resources and National Institute of Science Communication and Information Resources New Delhi on October 20, 2019, and Aravalli Biodiversity Park”, on October 24, 2019.
- Central Placement Cell (CPC) program, held at Conference Centre, University of Delhi (North Campus) on September 16, 2019.
- International Ozone Day Celebration on September 16, 2019 in Delhi Secretariat.
- workshop on River Yamuna held on October 4, 2019 at Delhi Secretariat, Delhi.
- International Summit on Women in STEM- “Visualizing the Future: New Skylines” organized by Department of Biotechnology held on January 23-24, 2020.
- The Botanical Society PHYTOMICS organized a one day Inter-college workshop and hands on training on “Intellectual Property Rights”, on August 26, 2019.
- The Department organized a Swachhata pledge taking ceremony on January 16, 2020 during Swachhata Pakhwada cleanliness drive program with active participation from all the students and faculty.

- The department also visited the Regional Centre for Biotechnology on the special occasion “National Science Day” on 28th February 2020. Students of the Botany department participated in various events and won prizes on this occasion.
- Ms. Riya Garain received a scholarship of Rs. 15,000 from Indian Air Force Benevolent Association under SMS scheme in January 2020.
- Ms. Ritu Kshatriya did a Summer Internship Program on the topic “Isolation and Screening of Bacterial and Fungal Strains from the Rhizosphere of Various Plants and Screening for their Antagonistic Potential Against Plant Pathogen and Ability to Degrade Soil Pollutants” in Dyal Singh College, University of Delhi from July 1-15, 2019.
- Ms. Riya Garain did a summer internship at the Department of Biotechnology, TERI, School of Advanced Studies on “Methodologies and Approaches Implied in Plant Functional Genomics” in the month of June-July 2019.
- Ms. Sakshi Rawat did a summer internship at the Department of Biotechnology, TERI School of Advanced Studies on “Methodologies and Approaches Implied in Plant Functional Genomics” in the month of June-July 2019.
- Ms. Khushboo Fulara awarded Research Fellowship of Rs. 26,360 under the Science Academies on a project entitled “Validation of the expressions of genes showing up or down regulation in Cfap300 zebrafish mutants obtained by Next Generation Sequencing” at Institute of Life Sciences, Bhubaneswar, Odisha from May-July, 2019.

Department of Chemistry

One of the fundamental components of Natural Sciences, Chemistry offers the students an ideal platform to begin exploring the composition, structure, properties & behavior of all forms of matter. At the under-graduate level, special emphasis is laid on broad coverage of most common branches of Chemistry considering the inter-disciplinary nature of the subject today. The Department of Chemistry has started B.Sc. (Hons.) course in chemistry from academic year 2017-2018.

The superior infrastructural facilities at this department includes experimentation laboratories for under-graduate, research laboratories, instrumentation laboratory, book bank, class-room with ICT and wi-fi facility for students and staff. The laboratories are well-equipped with sophisticated instruments such as analytical balance, pH-meter, hot air oven, double distillation plant, vacuum pump, de-ionizer, spectrophotometer, polarimeter, colorimeter, Digital potentiometer, digital melting & boiling point apparatus, conductivity meter and fuming hood chamber etc. that enable students to carry out all the experiments as prescribed in the syllabus. Besides these, there is an instrumentation laboratory for carrying out experiments in physical chemistry and analytical techniques. Titrations, synthesis, purification and analysis of chemical compounds are some of the aspects that form the basis of the lab. Moreover, there are dedicated laboratories to carry out research work in leading areas of chemistry that are equipped with sophisticated modern instruments being funded by Board of Research in Nuclear Sciences, Science & Engineering Research Board and University of Delhi. Currently, two students are pursuing PhD in this department. Modern teaching tools such as ICT (power-point) and virtual labs are employed. The students are encouraged to give presentations, attend workshops on current areas and to perform small projects to attain hands-on experience of latest instruments. The department of chemistry has its own chemical society named “Alchemy” which conducts events for holistic development of the students.

Department of Computer Science

Department of Computer Science was established with the vision to impart quality education to undergraduate students and inculcate in them strong theoretical, intellectual and analytical skills that are essential in this ever changing and highly competitive environment. The Department of Computer Science offers a B.Sc. (H) Computer Science course, which is one of the esteemed graduation programs of University of Delhi; it intends to give students a thorough foundation in theory and hands on experience of software development. The Department has three well equipped air-conditioned laboratories and one Research Lab, networked to powerful servers. The Department also has high quality computer peripherals such as scanners, printers, projectors and CD/ DVD writers. The Department provides state of the art computing facilities with more than 120 computers with open source software platforms and various softwares like C++, Java, Android Studio, Oracle, etc. The College provides internet access and maintains a mini departmental library for the use of faculty members as well as students. The Department has wide availability of open-access computer facilities with Wi-Fi network in the college. The faculty of the Department motivates students to be involved in research projects. The Department focuses on holistic development of students. The Department also organizes various workshops and seminars on regular basis to make students technologically competent in an ever-growing IT industry. They have excellent job opportunities in IT industry, software industry and information system department of any industry, manufacturing, Marketing, Banking, Entertainment, education and various R&D institutions in government and private sector. In the preceding years the students have been well placed in various companies such as Facebook, Wipro, Software One, Tech Mahindra, Inshorts, University of Delhi, Vivo, etc. Our students also got selection in top institutes/University for Higher Education like IIT Hyderabad, NITs, University of Delhi, etc.

Students of our department have been constantly excelling in various intra and inter college competitions across Delhi in various institutions, colleges and in the college itself. Not only in their own stream, our students also won accolades extracurricular activities like Sports, Debates, Quizzes etc.

Departmental Activities & Achievements

- In the year 2019-20, CS.Net celebrated Department's inter college annual techno cultural festival "INTERFACE 20" on 12th and 13th February 2020 with a fusion of technical and cultural events like CODE WAR, PUBG, FIFA, Sac Race, Beg Borrow Steal, Fast typing, Mr. and Ms. Interface and many others.
- Faculty, student and staff of the department also actively participated in cleanliness drive as a part of the Swachhta Pakhwada in the month of January 2020, and took Swachhta pledge. Concerted efforts are being made to maintain hygiene and clean surroundings inside and outside the college on a regular basis.
- During the last academic session, a workshop on "Machine Learning using Python" was organized by DUCAT, Noida on 20th Sep 2019 under the aegis of DBT star college scheme and IQAC of the college.
- Seminar on "Careers in IT after Graduation" was organized by Landmark Institute, Delhi on 25th September 2019.
- The Department also organized an outreach activity, especially for girl students of neighboring schools on 23rd January 2020 in collaboration with ICT Academy on "Internet of Things". The event was attended by around Fifty Girl Students of Vandana International School, Dwarka.
- On 6th Feb 2020, a talk on "Importance of Higher Education and Career Prospects" by Sunstone Eduversity was organized in the Department. The talk focused on opportunities in management and motivated the students to also choose MBA as their career.

Department of Electronics

A degree in B.Sc. (H) Electronics covers all the key knowledge areas required to become a successful Electronics Professional. It equips students with broad foundation of the fundamentals of Electronics and associated subjects and provides students with skills which are required to design electrical, electronic, computer, automation and communication systems. It includes papers on Analog Electronics, Digital Electronics, Signals and Systems, Communication, Microprocessor & Microcontrollers and C programming language. Practicals based on simulators like PSPICE, QUICS, SCILAB, etc. are also included in the curriculum. After the introduction of CBCS, students are being made familiar with knowledge of various other disciplines opening new horizons for their overall development. Students are also being offered various skill enhancement courses and discipline specific elective courses to abreast with the latest industrial trends and technologies. This degree provides comprehensive opportunities to the graduates to explore and attain the zenith of success in research & development, aerospace and defence electronics, design, testing, quality control, and project management. After graduation, students can also pursue higher studies in University of Delhi, Indian Institute of Technology, Jamia Millia University, Kurukshetra University, Devi Ahilya University, Banasthali Vidyapeeth University, etc. The students are also eligible to pursue MBA and MCA from various esteemed Universities. Students of Department of Electronics have been placed in various renowned industries and R&D organizations.

The Electronics Laboratory is well equipped with latest state-of-the art instruments such as Cathode Ray Oscilloscopes (CRO) & Digital Storage Oscilloscopes (DSO) (100MHz), CRO demonstration kits, Pulse Generators, Function Generators, Power Meter, Analog and Digital I.C. tester, LCR Q-tester, 8085 and 8086 Microprocessor kits, Microcontroller trainer, Interfacing modules and cards, Universal Programmer, various communication modules, various experimental kits, LASER kits, Antenna trainer kits, PCB design Unit, AVR Microcontroller and Arduino Kits etc. The Department also has well equipped computer laboratory with various simulation software installed to facilitate the students to gain expertise in IT Skills.

Faculty Details of Electronics

S.No.	Name	Degree	Specialization
1	Dr. Manoj Kumar Khanna (Principal, Ramjas College) [on leave]	Ph.D. (DU)	Microelectronics and VLSI designing
2	Dr. Geeta Mongia (Teacher-in-Charge)	Ph.D. (DU)	Optical Data Storage & Photovoltaic
3	Dr. Inderbir Kaur	Ph.D. (DU)	Amorphous Semiconductors
4	Dr. Avneesh Mittal	Ph.D. (DU)	Genetic Algorithm and Adaptive Controls
5	Dr. Manoj K. Tiwari (on leave)	Ph.D. (DU)	Microwave Photonics
6	Ms. Shweta Gupta	M.Sc. (DU)	Electronics
7	Dr. Jitender Kumar	Ph.D. (DU)	Nano-Materials and devices (LED Solar Cell, Sensors)
8	Dr. Amit Kumar	Ph.D. (DU)	Electroluminescent Materials & Devices
9	Ms. Aarti Malyan	M.Sc. (DU)	Electronics
10	Mr. Shani Kumar	M.Sc. (DU)	2D Material Synthesis & Characterization

Departmental Activities & Achievements

- An informative lecture on “High Electron Mobility Transistors” by Dr. D. S. Rawal, Scientist- ‘G’, Solid State Physics Laboratory was organized followed by Alumni Interaction on February 6, 2020 by the Electronics Society ‘SPARKS’ under Electronics Fest, TECHMANIA. The students from various departments enthusiastically participated in the event.
- SPARK Society celebrated the annual technical fests Techmaina 20th February 2019. And organised a lecture on Embedded Systems by renowned resource person Dr. Dhananjay V. Gadre on 09th September 2019. Lecture was grand success.
- Sparks also organised informative lecture on “High Electron Mobility Transistors” by Dr. D. S. Rawal, Scientist- ‘G’, Solid State Physics Laboratory was organized followed by Alumni Interaction on February 6, 2020 by the Electronics Society ‘SPARKS’ under Electronics Fest, TECHMANIA.
- Departmental Fest “TECHMANIA” was organised by SPARKS, the Electronics Society on February 20, 2020. This fest included many technical events like Creation and Innovation, Circuit Making etc. and fun games. The students of various disciplines participated in the events with great zeal and vigour. The winners of the various events were also awarded.
- Educational visit to Vigyan Samagam at National Science Centre, Pragati Maidan was organised on February 14, 2020 for the students of Electronics II and III year. The students got an opportunity to get an exposure of various research projects. The visit

also included the lectures by the eminent speakers from renowned organizations and universities.

Department of Food Technology

Food Technology deals with processing and preservation of food. *It* imparts in-depth knowledge of science and *technology* and various skills involved in processing and preservation of *foods*. The importance of food and process engineering lies in the fact that it has the capability to provide food to our population through scientific conservations, eliminating available losses and making available more balanced and nutritious food. Food processing has been identified as the sunrise industry due to its enormous impact and significance in the Indian development sector. Recognizing the potential in this sector, the course has been designed so that students acquire an integrated understanding of the Food Technology. The course provides students with an intellectually stimulating education in Technology of Fruits, Vegetables and Plantation Crops, Food and Nutrition, Dairy and Sea Foods, Food Chemistry, Food Microbiology, Food Engineering, Food Packaging, Food Safety and Food Quality Testing and Evaluation. The course offers educational tours, seminars and industrial training. Students are also encouraged to undertake summer projects in Research Laboratories and Industries.

The laboratories of the Food Technology Department are well equipped with various latest and sophisticated instruments including Automatic Nitrogen Analyzer, Brookfield's Viscometer, UV-Vis Spectrophotometer, Lovibond Tintometer, Rotary Vacuum Evaporator, Laminar Air Flow, Fume Hood Chamber, Binocular Microscopes, UV-Vis- Spectrophotometer, Autoclave, Laminar flow, Electronic Balances, Autoclave, Tensile Tester, Leakage Tester, Moisture Meter, Environment Chamber, Incubators and Drying Oven. Besides this Department has a pilot plant which aims at providing practical experience to the students. It is well equipped with a Canning Unit, Bakery Unit, Modified Atmosphere Packaging, Milk Processing Plant, Form Fill and Seal, Sieve Shaker, Deep Freezer with Sensor etc. The Department also has research laboratory which includes high end equipments like Gas Chromatography, Texture Analyzer, Water Activity Meter etc. The training on these equipments facilitates the students to achieve both conceptual knowledge as well as practical skills. Various in-house projects are being carried out which help students to understand how products can be taken from laboratory to the market. Students undertake these projects with full enthusiasm and work under the supervision of experienced faculty members.

Departmental Activities & Achievements

- A skill enhancement and entrepreneurship workshop on baking was organised for the final year students of Food Technology on February 6, 2020. The students learning Bakery Technology prepared walnut brownies which were suitably packaged and labelled also. They were also marketed by them within the college. This workshop was envisaged to enable the students to cultivate entrepreneurial skills. This workshop was coordinated by Dr. Eram Rao, co-coordinated by Dr. Roshan Lal and packaging of the product was supervised by Dr. Meenakshi Garg.
- A batch of twenty-two students of B.Sc. (Hons.) Food Technology from Institute of Home Economics, DU visited the Department of Food Technology along with two faculty members on October 30, 2019. The purpose was to explain the principle and demonstrate the working of various food engineering and packaging instruments such as Brookfield's Viscometer, Packaging machines and various Package Testing machines. This was coordinated by Dr Meenakshi Garg and co coordinated by Dr Sakshi Khurana, assisted by Mr. Pramod Kr. Shukla.
- National Nutrition Week was celebrated in the Department on September 9, 2019 in collaboration with PepsiCo India Ltd. Ms. Rekha Sharma, former, HOD, Dietetics Department at All India Institute of Medical Sciences and Ms. Ankita Marwaha, Associate Director, R&D PepsiCo were the resource persons for the event. Share your bowl of oats – Recipe contest' and Tack Boards/Display Boards contest were organised for the students of the department.
- An inter-collegiate 'Food Safety Quiz' was organised by the department in association with AFST(I), Delhi chapter and Confederation of Indian Industry on 26th August 2019. The quiz was held as a part of 'Surakshit Khadya Abhiyan' initiative of CII. Students from various colleges of Delhi University, Amity University (Noida), Manav Rachna International Institute of Research and Technology (Faridabad) and National Institute of Food Technology Entrepreneurship and Management (Sonepat) participated in the quiz. Shri. Sanjay Dave, Fr. Chairperson of CODEX Alimentarius and Chairman, SKA, CII was invited to deliver a special lecture to the students and was also the quiz master.
- A Nutrition Awareness Activity with the theme 'Good Food for Healthy Life' was organized by the department in collaboration with Protein Foods & Nutrition Development Association of India and AFST (I) Delhi Chapter on March 15, 2019. All the students of the department and faculty members participated in the event. Four speakers were invited for the technical session- Dr Sakshi Bhushan, Principal

Nutritionist Marico; Ms.Mili Bhattacharya Scientific, Nutrition and Regulatory, Coca Cola; Ms. Neelanjana Singh, Former President IDA, Delhi Chapter and Mr.Indranil Chatterjee from Dupont.

Skill Enhancement and Entrepreneurship Workshop on Baking, February 6, 2020

Sh. S. Dave, Former Chair, Codex Alimentarius conducting the Food Safety

Department of Instrumentation

Instrumentation is a specialized field which deals with the science and technology of measurement that service not only physical, chemical and biological science, but also all branches of engineering and medicine. Bhaskaracharya College of Applied Science is the only co-educational college in the University of Delhi, offering a Bachelor of Science (Hons.) course in Instrumentation. College has a specialized Instrumentation Laboratory which provides practical expertise to the students and trains them to design, develop, maintain and trouble-shoot instruments that are being used in varied fields like Automation and Control, Process Industries, Medicine, Quality Control etc. The Laboratory is equipped with state of the art instruments like NI ELVIS-II Educational Laboratory Virtual Instrumentation Suite supported by LabVIEW full development system and NI USB Data Acquisition Card, to help students interface and integrate real time signals and data. The laboratory also acquaints students with devices used in Process and Control industries like ratio control trainer, differential pressure transmitter, circular chart recorder, dead weight tester, various flowmeters such as electromagnetic, orifice meter, ultrasonic etc. It also has advanced transducer and instrumentation trainer, temperature transducers, LVDT and strain gauge trainer, speed control of DC motor etc. Students learn to design and develop small projects on high performance microcontroller and microprocessor kits which are provided with interfacing modules like Temperature Controller, Keyboard, Elevator Simulator Interface, Stepper Motor, LCD etc. The Instrumentation Laboratory also boosts of training students in sophisticated biomedical and analytical Instruments like Plant Growth Chamber, Microprocessors based UV-Vis spectrophotometer, 3 to 6 Channel Electrocardiograph, Heart Rate Monitor cum ECG trainer, Respiration Rate Monitor etc.

Faculty Details of Instrumentation

SNo.	Name	Degree	Specialization
1.	Dr. Geeta Bhatt (On leave and lien)	Ph.D.	Semiconductor Thin Films
2.	Dr. Avneesh Mittal* (Teacher-in-charge)	M.Sc., M.Tech., Ph.D.	Genetic Algorithm based Adaptive Control
3.	Ms. Gurkiran Kaur	M.Tech	Electronic Instrumentation & Control
4.	Ms. Shweta Dua	M.Sc.	Bioelectronics & Instrumentation
5.	Dr. Anil Kumar	Ph.D.	Electronics, Integrated Optics
6.	Mr. Pawan Kumar	M.Sc.	Electronics
7.	Mr. Manoj Kumar	M.Sc.	Electronics

8.	Mr. Rakesh	M.Sc.	Electronics
9.	Dr. Amandeep Kaur	Ph.D.	Material Science, Vapor Sensors

Syllabus of BSc.(H) Instrumentation

Semester 1		Semester 2	
Paper No.	Name	Paper No.	Name

Discipline Specific Electives (DSE):-

1. Concepts of Chemistry
2. Signal and Systems
3. Advanced Analytical Instrumentation
4. Communication System
5. Advanced Biomedical Instrumentation
6. Embedded System and Robotics
7. Process Control Dynamics

8. Reliability and Quality Control Techniques
9. Dissertation

Skill Enhancement Course (SEC) :-

1. Programming in C
2. VLSI Design and Verification
3. Testing and Calibration
4. PLC and SCADA
5. Virtual Instrumentation
6. Programming using MATLAB

Generic Elective Papers (GE) for other Departments/Disciplines :-

1. Sensors and Actuators
2. Electro-Mechanical Instruments
3. Instrumentation & Control
4. Analytical Instrumentation
5. Nuclear & Biomedical Instrumentation
6. Machine Intelligence

Departmental Activities & Achievements

The Instrumentation Department society “Sensors” has been organizing various academic activities outside the classroom to support the complete development of students. It provides them a platform to organize, manage and coordinate various activities along with learning, interacting with experts from the industry and other fellow students.

- Department of Instrumentation organized an invited talk on September 25, 2019 by Shri Satish, Senior Scientist, Electrical and Electronics Metrology Division, CSIR, National Physical Laboratory (NPL). The topic of his talk was “Metrology and its role in improving quality of life. The Lecture was attended in large numbers by students of all streams.
- Society also organized one day Technical Festival “Mnemonics 2020” on February 11, 2020. On this occasion Prof. Avinashi Kapoor (Head Dept. of Electronic Science, University of Delhi) delivered a motivational lecture. Various technical and cultural events like Circuit Making Competition, Debate Competition on “Artificial Intelligence”, Harry Potter Quiz, Alumni Meet, Photography Competition “Instrugraphy”, OpenMic Competition were also organized during the festival. The event witnessed a huge participation from students of the college as well as other colleges from all over Delhi. During this festival some of the very bright and talented alumni of the Department were also present and shared their experiences among the students.

Placements

1. A placement drive was conducted by Tata Consultancy Services Limited for the profile of Graduate Trainee in which two students were selected.
2. In another placement drive conducted by Wipro Limited; seven students were selected in Wipro Work Integrated Learning Program, Talent Hunt 2020.

Interaction with Industries/Institutes/R&D organizations

- Honeywell Automation

Invited talk on “ Metrology and its role in improving quality of life ”, 25 Sept.,2019

Technical Festival “Mnemonics 2020” on 11 Feb., 2020

Department of Microbiology

The Department of Microbiology at BCAS has been awarded Star status (2017) by the Department of Biotechnology, Government of India. It has well equipped and furnished laboratories to provide hands-on-training to undergraduate students. Various instruments and equipments such as biosafety cabinet, deep freezer, incubators, microscopes, thermal cycler, gel documentation system, weighing balance, image projection system, ultrasonicator, centrifuges, spectrophotometers, LCD projectors, hybridization oven etc are available in the Department. The faculty members of the Department are actively involved in a number of in-house projects to help develop research aptitude in the students and train them beyond the curriculum practicals. 'Sukshmjeev', the departmental society organizes various workshops, seminars and visits to academic institutes and industry. This provides a platform for interaction of students with scientists, teachers and industry representatives and not only helps in exposing them to the cutting edge technologies available but also leads to their overall development. Microbiology department has a strong alumni base and organizes lectures and interaction events which benefit students a lot and particularly help them in choosing their career path after the graduation.

Faculty Details of Microbiology

The faculty members of Microbiology department have several reputed universities and institutes as their alma mater such as Jawahar Lal Nehru University, Delhi University, IIT Delhi, Panjab University and National Dairy Research Institute Karnal. The details of the faculty members are as follows:

S.No	Name	Degree	Specialization
1	Dr. N Vijay Kumar	Ph.D	Molecular Biology
2	Dr. Purnima Anand (Teacher-In-Charge)	Ph.D	Environmental Microbiology
3	Dr. Ruchi G. Marwah	Ph.D	Industrial Microbiology
4	Dr. Pawas Goswami	Ph.D	Dairy Microbiology

5	Dr. Ratyakshi	Ph.D	Nanotechnology
6	Dr. Gunjan Sirohi	Ph.D	Molecular Biology and Biotechnology
7	Dr. Neeru Bhagat	Ph.D	Molecular Microbiology

Syllabus/Course work

The syllabus covers the basic and applied aspects of Microbiology. Students are taught about all the groups of microorganisms, microbial physiology, genetics, recombinant DNA technologies, immunology etc. Various papers studied by them in this course are as follows:

Semester 1		Semester 2	
Paper No	Name	Paper No	Name
Paper 1	Introduction to Microbiology and Microbial Diversity	Paper 5	Biochemistry
Paper 2	Bacteriology	Paper 6	Virology
Paper 3	Generic Elective paper	Paper 7	Generic Elective paper
Paper 4	English Communication	Paper 8	Environmental Science

Semester 3		Semester 4	
Paper No	Name	Paper No	Name
Paper 9	Microbial Physiology and Metabolism	Paper 14	Microbial Genetics and Genomics
Paper 10	Cell Biology	Paper 15	Environmental Microbiology
Paper 11	Molecular Biology	Paper 16	Food & Dairy Microbiology

Paper 12	Microbial Quality Control in Food and pharmaceutical industries	Paper 17	Microbial Diagnosis in Health Clinics
Paper 13	Generic Elective	Paper 18	Generic Elective

Semester 5		Semester 6	
Paper No	Name	Paper No	Name
Paper 19	Industrial Microbiology	Paper 23	Medical Microbiology
Paper 20	Immunology	Paper 24	Recombinant DNA Technology
Paper 21	Bioinformatics	Paper 25	Microbial Biotechnology
Paper 22	Inheritance Biology	Paper 26	Instrumentation & Biotechniques

Departmental Activities and Achievements

- A one-day seminar on “Advancements in Molecular Microbiology in the Revolutionary ‘Omics’ Era” was organized as a part of the annual festival of the Department, MicroQuest on February 20, 2020. Dr. Syed Shams Yazdani and Dr. Vikram Saini, from ICGEB and AIIMS respectively, delivered lectures in this seminar.
- Dr. Saurabh Saran from CSIR-IIIM, Jammu and Dr. Qasim Beg from Boston University, USA visited the department and interacted with students to discuss career opportunities in various fields.
- Students from the department visited IIT, Delhi, and Regional Centre for Biotechnology, Faridabad to interact with various scientists and know about the research mandate being followed by their labs.
- Six alumni visited the college and interacted with students. Alumni Meet was also organized in which 22 alumni participated.

- Students attended a talk on topic “My Adventures in the Ribosome” by Nobel Laureate Dr. Venki Ramakrishnan, tenth edition speaker of the TNQ Distinguished Lectures in the Life Sciences held at AIIMS, Delhi.
- A workshop on ‘Biotechnology Start-Up Ecosystem in India’ organized by INSA and Hands-on training on ‘Molecular and Serological Assays of Plant Viruses’ organized by Amity University was attended by students of the department.
- Saumein Sain of the batch 2016-2019 received University gold medal in the 96th Annual Convocation of University of Delhi, held on November 4, 2019 for securing the highest marks in B.Sc. (Hons.) Microbiology. Consecutively from the last two years the Gold Medal has been awarded to a student of our department for the first position in the University of Delhi.
- Anirban Adhikary and Tanu Bansal of Batch 2016-19 under supervision of Dr. Ruchi Gulati Marwah presented poster entitled “A robust biofilm-forming strain of *Bacilluslicheniformis* isolated from air: Studies related to colony morphology and antibiotic resistance patterns” in International Conference on Changing Environment: Understanding the Emerging Challenges and their Management Strategies organized by Department of Zoology, Kalindi College on April 11-12, 2019. The sequence was submitted as Marwah, RG., Anand P., Adhikary A., Bansal T.*et al.* (2019). *Bacillus* sp. (in:Bacteria) strain bcasdu2018/01 16S Ribosomal RNA Gene. GenBank Accession number MK881510.

Team Microbiology @ Microquest 2020

Department of Physics

Physics, is the branch of science that examines and offers a logical framework to understand the world around us, focuses on matter, energy, space and time. It is one of the oldest academic disciplines of basic science, which has made significant contributions to our understanding of the numerous physical phenomena all around us. The advances and understanding of this field has been translated into new technologies and new ideas. The Department is engaged in research and teaching frontier areas of experimental and theoretical Physics as per university syllabus. Ever since its inception, excellence in teaching and research has been the hallmark of Department. Over the years, the Department has produced graduates sought by industry, the profession, and the public service as well as providing researchers for the future. The Department has state-of-the-art laboratories with all latest and sophisticated equipments needed to help the students have an experimental insight into the subject as prescribed by the syllabus. Some of the key equipments include Color Digital Storage Oscilloscope, Microprocessor Kits, Spectrometers, LCR Q-testers, Laser Kits, Universal Interferometer, Ultrasonic Grating Experimental Kit with CCD Camera, P-E Hysteresis Experiment Kit, Digital I.C. Testers etc. The Department has introduced both quantitative (problem-oriented) and qualitative (motivational in nature) approach to experiments in the laboratories. Workshops are organised from time to time to make the students familiar with these equipments. The department endeavours to provide education in Physics of the highest quality at the undergraduate level and produce graduates of the caliber sought by industry, the professions, and public service as well as providing the academic teachers and researchers of the future, to encourage and pursue research of the highest quality in the areas where basic and advanced principles of Physics are used, and maintain BCAS's position as one of DU's leading colleges in these fields; To continue to attract outstanding students from all backgrounds; To provide an intellectually stimulating environment in which students have the opportunity to develop their skills and enthusiasm to the best of their potential.

Discipline Specific Electives (DSE):-

1. Nano Materials and Applications
2. Classical Dynamics
3. Nuclear and Particle Physics
4. Advanced Mathematical Physics Lab
5. Experimental Techniques Lab
6. Experimental Techniques Lab
7. Dissertation

Skill Enhancement Course (SEC) :-

1. Applied Optics
2. Computational Physics
3. Basic Instrumentation Skills
4. Renewable Energy and Energy harvesting
5. Radiation Safety
6. Weather Forecasting
7. Physics Workshop Skills

Generic Elective Papers (GE) for other Departments/Disciplines :-

1. Electricity and Magnetism
2. Waves and Optics
3. Elements of Modern Physics
4. Thermal Physics
5. Digital, Analog and Instrumentation
6. Applied Dynamics
7. Medical Physics
8. Communication System

Department of Polymer Science

In India, BCAS is the only college of University of Delhi which offers B.Sc. (H) Polymer Science. The department was established in the year 2004. The main goal was to achieve excellence in education and research to meet the growing needs of the society. Department of Polymer Science has well equipped laboratories to train the students with synthesis, processing and testing of polymers insight into the subject as prescribed by the syllabus. The course is designed to provide adequate subject exposure to students for most of dimensions of requirement of polymer-based industries and academia. Apart from the syllabi experiments, students are also exposed to handling, maintenance and troubleshooting of different analytical equipment available in the laboratories. Students are also exposed to newer developments in the subject by project work, conferences industrial training and visits, workshops etc., which enhances their skills to better services in different capacity. Department has most of required equipment along with several advanced equipment's like Single Screw Extruder, Two- Roll Mill, Injection Molding Machine, Compression Molding Machine, Universal Testing Machine, Izode Impact Tester, Viscometers Flammability tester, Permeability Tester, Resistivity Tester Oscillating Disc Rheometer, Abrasion tester, Rockwell Hardness Tester, Fourier Transform Infrared Spectrometer and Homogenizer.

Faculty Details of Polymer Science

S.NO	NAME	DEGREE	SPECIALIZATION
1	Dr. S. K. Shukla	Ph.D.	Polymer Characterization
2	Dr. Sidhharth Sirohi (Teacher-In-Charge)	Ph.D.	Controlled Polymerization, Composite Nanofibres
3	Dr. Susmita Dey Sadhu	Ph.D.	Rubber Technology
4	Dr. Krishna Dutt	Ph.D.	Polymer Recycling
5	Dr. Anil Barak	Ph.D.	Anionic Polymerization
6	Dr. Prem Lata Meena	Ph.D.	Inorganic Polymers
7	Dr. Umesh Kumar	Ph.D.	Organic Chemistry
8	Dr. Gulshan Dhra	Ph.D.	Organic Chemistry

COURSES DETAILS OF B. Sc. (H) POLYMER SCIENCE

CBCS SYLLABUS STRUCTURE B.Sc.(Hons) Polymer Science		
SEMESTER-I	SEMESTER-III	SEMESTER-V
AEC-I compulsory: English Communications/ Environmental Science	C-301: Polymer Rheology C-302: Polymer Additives C-303: Polymer Degradation	C-501: Polymer Characterization C-502: Specialty Polymers
C-101: Introduction to Polymer Science C-102: Raw Material of Polymers		DSE -1: Theory+ Practical/Tutorial DSE -2: Theory+ Practical/Tutorial
GE -1: Theory+ Practical/Tutorial		
SEMESTER-II	SEMESTER-IV	SEMESTER-VI
AEC-II compulsory: Environmental Science/ English Communications	C-401: Polymer Processing and Mold Design C-402: Polymer Testing C-403: Recycling and Waste Management	C-601: Polymer Blends and Composites C-602: Fiber Science and Rubber Technology
C-201: Polymer Technology C-201: Unit Operation		DSE -3: Theory+ Practical/Tutorial DSE -4: Theory+ Practical/Tutorial
GE -2: Theory+ Practical/Tutorial		

GENERIC ELECTIVES COURSES (GE)– 4(six credits each) –offered by other Departments

Each course has 4 Periods/week for Theory, 4 Periods/week for Practical

SKILL ENHANCEMENT ELECTIVE COURSES (SEC) – 2 (four credits each, refer to * on page 6)**

SEMESTER	COURSE CODE	NAME OF THE COURSE	CREDITS T=Theory Credits P=Practical Credits
III-IV	SEC: Paper 1	Biopolymers	T=2 P=2
	SEC: Paper 2	Estimation of Polymers and Polymeric Compounds	T=2 P=2
	SEC: Paper 3	Wire and Cable Technology	T=2 P=2
	SEC: Paper 4	Footwear Technology	T=2 P=2
Credits: 2 × 4 = 08			
ABILITY ENHANCEMENT COURSES (AEC) – 2 (4 credits each)			
SEMESTER	COURSE CODE	NAME OF THE COURSE	CREDITS T=Theory Credits P=Practical Credits
I-II	AECC1	English/MIL	T = 4

		Communication or EVS	
	AECC2	English/MIL Communication or EVS	T = 4
			Credits: 2 × 4 = 08
TOTAL CREDITS = 148			

***Generic Elective Papers (GE) (Minor-Polymer Science) (any four) for other Departments/Disciplines: (Credit: 06 each – 4T + 2P)**

GE: Paper 1- Basics of Polymer Science

GE: Paper 2- Chemistry of Polymers

GE: Paper 3- Polymer Testing and Characterization

GE: Paper 4- Polymer Modifiers and Waste Management

GE: Paper 5- Product Manufacturing and Processing

GE: Paper 6- Material Science

GE: Paper 7- Biomedical Applications of Polymers

GE: Paper 8- Fibres and Rubbers

GE: Paper 9- Polymers in Packaging

GE: Paper 10 - Polymers for Electrical and Electronic Applications

****Discipline Specific Elective Courses: (Credit: 06 each) (4 courses to be selected)-DSE 1-4**

DSE 1 & DSE 2: Any two of the following

DSE: Paper 1- Conducting Polymers

DSE: Paper 2- Fibre Manufacturing Technology

DSE: Paper 3- Paints, Coatings and adhesives

DSE: Paper 4- Polymeric Nanomaterials

DSE 3 & DSE 4: Choose any two of the following

DSE: Paper 5- Tyre Technology

DSE: Paper 6- Packaging Technology

DSE: Paper 7- Fabrication of Polymeric products

DSE: Paper 8- Polymer in Biomedical Applications

DSE: Paper 9- Dissertation

DEPARTMENTAL ACTIVITIES & ACHIEVEMENTS

- Polymer Science students performed a street play on the theme “Single-use Plastics” in the college campus in the event held by Swachhata Committee, on March 02, 2020.
- Faculty and students of Polymer Science participated in National Science Day function organized at Vigyan Bhawan, New Delhi, on February 28, 2020.
- Department of Polymer Science organized visit of BSc 2nd Year students along with faculty members, in Recycling Industry Nidhi Enterprises at Bawana on February 18, 2020.

- A visit to Department of Textile and Fibre Engineering, IIT Delhi was organized on February 6, 2020. Polymer Science 3rd Year students, faculty and staff participated in the visit.
- Department Polymer Science organized annual Tech Festival Cross-Link 2020 during 3-4 February, 2020.
- Dr. Anil Barak (faculty Polymer Science and 3rd year students (Mr. Sachin Yadav, Mr. Piyush Kaushik & Mr. Sailesh Juyal) bagged Best Poster presentation award in National Conference on Relationship between Chemical Sciences and Society (RCSS-2020) organized by Department of Chemistry at Shivaji College, University of Delhi during January 16th – 17th, 2020.
- Polymer Science students and faculty took Swachhta Pledge on January 16, 2020.

Annual Tech Festival Cross-Link 2020 during Feb. 3-4, 2020.

Textile and Fibre Engineering, IIT Delhi was organized on Feb. 6, 2020

Department of Zoology

The study of living organisms has been the centre of human curiosity since the dawn of civilization. Recent advancements in science and technology have further enhanced its contribution, recent Nobel prizes in Physiology and Medicine bear testimony to this. Keeping this in mind, Bhaskaracharya College of Applied Sciences took the initiative of incorporating Zoology as one of its courses in the year 2017. We teach animal biology covering varied aspects ranging from genes to complete ecosystem. The study of the diversity of life forms among vertebrates and invertebrates inhabiting the surface of the Earth is also a primary constituent of Zoology.

Further, this field of science incorporates ecological and evolutionary studies, thus enlightening us about the way ecosystems work and the course through which present life evolved, respectively. Apart from acquainting students with knowledge of basic Zoology, we are also providing skill enhancement course “Research Methodology”. This skill enhancement course not only aims at providing knowledge of research and its methods, but it also helps them in preparing for a future in research involving the commercial application of classroom knowledge and this subject help the students to frame their approach towards research. Thus, Zoology seems to be an indispensable component of the curriculum, without which the concept of life would not have been adequately construed. The course aims at providing a comprehensive understanding of the subject. It equips the students with the potential to pursue any career related to Zoology. We ensure that our students' knowledge and learning don't remain confined within the four walls of the classroom. Therefore, we take our students to visit various sites of National Park, Research laboratories, etc. at regular intervals.

Faculty Details of Zoology

Name	Designation	Degree	Specialization
Dr. Anil Kumar Bali	Associate Professor	Ph.D.	1. Microbial Molecular Biology and Biotechnology 2. Medical Physiology
Dr. Alivia Roy	Assistant Professor	Ph.D.	Reproductive Physiology
Dr.Reetuparna Basak	Assistant Professor	Ph.D.	Reproductive Physiology
Dr. Anjali Saxana	Assistant Professor	Ph.D.	Molecular Biology
Dr. Pallee Shree	Assistant Professor	Ph.D.	Food Adulteration
Dr.Satyam Ravi Dwivedi	Assistant Professor	Ph.D.	Ecotoxicology
Dr. Amit Kumar	Assistant Professor	Ph.D.	Environmental Genomics
Dr. Lalji Ram Meena	Assistant Professor	Ph.D.	Ecotoxicology

GE	Generic Elective-1	GE	Generic Elective-2
Semester III		Semester IV	
CC	Diversity of Chordates	CC	Comparative Anatomy of Vertebrates
CC	Physiology: Controlling and Coordinating Systems	CC	Physiology: Life Sustaining Systems
CC	Fundamentals of Biochemistry	CC	Biochemistry of Metabolic Processes
SEC	Skill Enhancement Course-1	SEC	Skill Enhancement Course-2
GE	Generic Elective-3	GE	Generic Elective-4
Semester V		Semester VI	
CC	Molecular Biology	CC	Developmental Biology
CC	Principles of Genetics	CC	Evolutionary Biology
DSE	Discipline Specific Electives-1	DSE	Discipline Specific Electives-3
DSE	Discipline Specific Electives-2	DSE	Discipline Specific Electives-4

Discipline Specific Electives (DSE)

Animal Behaviour, Basics of Neuroscience, Biotechnology, Biology of Insecta, Reproductive Biology, Wildlife Management, Computational Biology, Parasitology, Immunology, Endocrinology, Fish and Fishries

Skill Enhancement Courses (SEC)

Medical Diagnostics, Research Methodology, Apiculture, Sericulture, Aquarium Fish Keeping, Genetic counseling, Environmental Audit

Generic Electives (GE)

Human Physiology, Animal Diversity, Environment & Public Health, Insect Vector & Diseases, Animal Cell Biotechnology, Food, Nutrition & Health, Aquatic Biology Exploring the Brain: Structure and Function

Departmental Activities and Achievements

- The Department organized its Annual Zoological festival 'ZOOSANGAM' on February 05, 2020, under the umbrella of Zoological society 'ERANKOS.' The festival conducted various scientific as well as fun-filled activities.
- The Department organized a one-day workshop on "Immunology" for its III-year undergraduate students on September 26, 2019. The workshop was conducted by Dr.

Alivia Roy and Dr. Reetuparna Basak, in collaboration with the research laboratory of Prof. Umesh Rai at the Department of Zoology, University of Delhi.

- The Department organized a one-day workshop on “Reproductive Biology Techniques” for its III-year undergraduate students on February 14, 2020. The workshop was conducted by Dr. Reetuparna Basak in collaboration with the research laboratory of Prof. Umesh Rai at the Department of Zoology, University of Delhi.
- An educational trip to Madhav National Park, Shivpuri, Madhya Pradesh, on September 15, 2019, was organized by the Department. Thirty-one students of B.Sc (H) Zoology I, II, and III years along with four faculty members (Dr. Pallee Shree, Dr. Reetuparna Basak, Dr. Satyam Ravi Dwivedi, and Dr. Laljee Ram Meena) took part in this trip.
- A one-day visit to Animal House and Museum facility of Department of Zoology, University of Delhi was executed on March 15, 2019, by the students of B.Sc (H) Zoology II year under the supervision of Dr. Reetuparna Basak, Dr. Alivia Roy, and Dr. Anjali Saxena.
- The Department conducted a visit to Central Silk board Regional Sericultural Research Station, Dehradun, on March 12, 2019, as part of the curriculum for the skill-enhancement course "Sericulture" for students of B.Sc (H) Zoology II year. Twenty-one students and four faculty members of the Department (Dr. Pallee Shree, Dr. Reetuparna Basak, Dr. Alivia Roy, and Dr. Souvik Sen Sharma) took part in this trip.
- Ms. Sabina of B.Sc (H) Zoology II year got appointed as PRT under Kendriya Vidyalaya Sangathan (Academic pay scale level 6) on January 17, 2020.

Department of Biochemistry

Biochemistry is a very interesting body of knowledge. It is an endeavour into a field which enriches the study of the human system. In the present times, the study of Biochemistry is greatly influencing other fields like Life Sciences, Food Sciences, Biotechnology, Applied Sciences, Biomedical Sciences, Bioinformatics (Computational Biology), Patent law and Intellectual Property Rights, Clinical Research and Diagnostics, Agriculture, Molecular Biology and Molecular Diagnostics.

Recognizing its importance and potential, the Department has been nominated as one of the Departments to receive funds under the Star College Scheme of DBT since **2010** and has been awarded “**Star Department Status**” in the year **2017** by **Department of Biotechnology, Government of India**. The Star-funds have been used for enriching the curriculum by introducing new practical, new techniques, conducting workshops, seminars, Visits to Institutes, organizing minor projects for students with an aim of motivating the students to take up higher studies or career in Biological Sciences.

Infrastructure

Ever since its inception more than two decades ago, the College has added tremendously to the infrastructure catering to the students of Biochemistry. The state-of-the-art Laboratory at the college is well equipped to take care of the needs of the students. It familiarizes the students with the latest and the most sophisticated of equipment like Trans-Illuminators, Spectrophotometers (UV-Visible and Visible), Electrophoresis apparatus (Vertical, Horizontal, Slab, Paper, Rod) Thin layer chromatography, Gel filtration chromatography, orbital Shaking Incubator, Quartz double- distillation Water purification system, Deep freezer, cooling Cabinets, Microscopes and the use of equipment like Vortex Shaker, Magnetic Stirrer, Autoclave, Centrifuge, Laminar air flow chamber and pH meter.

Faculty Details of Biochemistry

Name	Qualification	Specialization
Dr Anita Sondhi	Ph.D.	Medical Biochemistry

Students getting acquainted with a wide variety of latest Biochemical Techniques and gaining experience in hands-on-training in the Biochemistry Laboratory

Department of Human Communication

Psychology in simplest terms could be defined as, “a study of human behavior”. However, when we look at the expanse of its reach and applications in real world scenario, it goes beyond just the study of human behavior. Given its inherent interdisciplinarity and innumerable applications, its benefits and applications have far reaching impact for human kind. In the current times, the need for its study and applications cannot be over emphasized.

From academic performance to mob mentality and making sense of social fabric to understanding work behavior, Psychology helps in unraveling the underlying issues and suggesting possible solutions. It is a window to an inner world, which enriches the experience of the outer world. With its very innovative and indigenous means of learning, it helps students evolve better as an individual, student, professional and of course a better human being as well.

The department offers General Elective (GE) papers in Psychology for all the undergraduate students seeking admission under CBCS. The papers taught so far include, “General Psychology”, “Youth Psychology”, “Psychology at Work”, “Psychology of Health and Well-being” and “Psychology and Media”. The course curriculum is taught with the help of lectures, group discussions, experiential exercises, group projects, presentations, flip classes, outreach programs, workshops and seminars. The unique course structure helps not only in academic excellence but also prepare students for vocational expertise that further enhance one’s chances of suitable employability and even finding the real meaning of life.

Infrastructural facilities

- a) Departmental Library b) Psychological Tests c) LCD Projector with Screen
d) OHP e) Camera

Faculty Details of Human Communication

Sr No	Name	Degree	Specialization
1	Dr Madhulika Bajpai	M.Phil. Ph.D.	Psychology

Department of Mathematics

Mathematics is a more powerful instrument of knowledge than any other that has been bequeathed to us by human agency. — Rene Descartes

Mathematics is an integral part of human thought and logic, and crucial to help understand the world and ourselves. Mathematical knowledge plays a critical role in understanding other fields, be it sciences, social sciences, and even music and art.

Understanding and competence in applying the fundamental mathematical tools is often required to do serious study in any field of sciences. Role of mathematics in various disciplines of Physical Sciences is well established. Studies in life sciences benefit greatly from insights derived from mathematics. Progress in biomedical research increasingly requires mathematical approaches. The theoretical description of the properties of polymers involves use of a wide range of mathematical sciences techniques. The role of mathematics in food technology and microbiology is also immense. Food processes, problems related to bacterial growth in food and other areas of predictive microbiology are studied using mathematical modeling techniques. Industry managers, engineers, researchers and scientists require mathematical tools to find solutions to a variety of problems.

Department of Mathematics, being an integral part of the college since 1995 has been catering to courses in the college. At present, it takes General Elective papers in mathematics for all courses of the college. The Department room is well equipped with computer, printer and scanner. Mathematics plays a critical role in many competitive examinations for higher studies. Department helps prepare the students for today's ever evolving world of competition and carve a professional niche.

Faculty Details of Mathematics

Name of Faculty	Highest Qualification	Specialization
Dr. Ragini Jindal (Teacher in Charge)	Ph.D.	Applied Mechanics
Dr. Neeru Sharma	Ph.D.	Operator Theory

Syllabus

Generic Elective Papers for Honors CBCF (LOCF) (2019 onwards)

[http://du.ac.in/du/uploads/RevisedSyllabi1/Annexure-78.%20\(GE%20for%20Hons.\(REVISED\).pdf](http://du.ac.in/du/uploads/RevisedSyllabi1/Annexure-78.%20(GE%20for%20Hons.(REVISED).pdf)

Departmental Activities & Achievements

- Lecture by Prof. S.C Arora, ex-HOD, Department of Mathematics, University of Delhi and Dr Anuradha Gupta, Department of Mathematics, DCAC, University of Delhi.
- Remedial classes for several courses of the college were held to help students understand the subject better.
- ‘Click and Share’ Competition was conducted wherein students were encouraged to observe the world around them, click a picture and share it along with mathematical concept that they see in it.
- ‘Rangoli Designing Competition’ was conducted in which students designed Rangoli using numbers, geometrical shapes and mathematical symbols only.

Rangoli Competition

Click and Share Competition

Department of Physical Education

The college provides holistic development through sports in and out of the college. The college consists of one basketball court, volley ball court, cricket ground, football ground, lawn tennis court, two badminton court, table tennis room, gymnasium for maximum development of the students. The department put lots of efforts on physical, social and mental development through organization and partition in various intramurals and extramural sports events.

6thBhaskaracharya Inter College Cricket Tournament was organized by Department of Physical Education from January 9th to 17th, 2020. Six teams from University of Delhi viz. Venketshwara, Aryabhata, Shyamlal, SGND, Khalsa, KMC and BCAS colleges participated in the tournament. ShyamlalCollege was the winner and Venketshwara College was runner up of the tournament.

Faculty Details of Physical Education- Dr. Pawan Kumar Dabas (Ph.D- Exercise Physiology)

Course Offered

Generic Elective (GE) in Physical Education in first 4 semesters.

GE 1- Yoga and Stress Management

GE 2- Obesity Management

GE 3- Aerobics Training

GE 4- Fitness and Exercise Management

Students Achievements

1. Shreya Sharma of B.Sc. (H) 3rd year, Department of Microbiology won **Bronze Medal** in Inter College Judo (Women) Championship 2019-20 organized by University of Delhi held at Multi-purpose Hall on 5 & 6 November 2019.
2. Vikas Kumar of B.Sc. (H) 2nd year, Department of Physics won **Bronze Medal** in National Football Championship (5th Small Side) 2019-20 held at Duler Stadium, Mupasa, Goa from 30 December 2019 to 1st January 2020.

Open gymnasium with 22 stations

STUDENTS' PROFILE

DEPARTMENT OF BIOMEDICAL SCIENCES

STUDENTS PROFILE

Name: Samarth Dhole

Date of Birth: 06-08-1999

Permanent Address: A1/604 M3M WOODSHIRE, sector 108 Gurugram, Dwarka Expy, Haryana-122017.

Current Address: (Same as above)

Contact No.: 8800232067

Email: samarth6899@gmail.com

Academic Qualification:

Class	University/ Board	Institution	Percentage/ CGPA	Year of Passing	Remark
B.Sc	University of Delhi	Bhaskaracharya College of Applied Sciences, New Delhi	Sem I : 8.73	2020*	* Yet to appear in final exam
			Sem II : 8.73		
			Sem III : 8.21		
			Sem IV : 9		
12 th	CBSE	Venkateshwar International School, New Delhi	93.66	2017	
10 th	CBSE	Venkateshwar International School, New Delhi	10 (CGPA)	2015	

Awards/Scholarship:

- Securing 1st position in poster presentation competition on the topic 'Landmark Achievements in Neuroscience' held at Bhaskaracharya College of Applied Sciences, University of Delhi (20th February 2019)
- Securing IIIrd position in the University Annual Examinations for the session 2017-2018
- Presentation of Survey on 'Air Pollution Awareness' on International Ozone Day at Department of Environment, Govt. of Delhi (17th September 2017)

Workshops/Trainings Attended:

- Foldscope as tracking and detecting tool for protein crystallisation, Bhaskaracharya College of Applied Sciences, University of Delhi (26th October 2018)
- Handling and Care of Laboratory Animals Bhaskaracharya College of Applied Sciences, University Of Delhi (31st October 2018 - 1st November 2018)
- Talk by Sir Venkatraman Ramakrishnan at NII on 'The Nobel Prize in Cryo-EM and the Contributions of the MRC Laboratory of Molecular Biology to it' at NII(1st November 2017)

Training

'Green synthesis of Copper nanoparticles and copper – chitosan nanocomposites using Allium Cepa extract as the reducing agent' at Cluster Innovation Center, University of Delhi

Curricular/Extra-Curricular Activity:

- Inter-College Debate 2019 organised by Rotary Club of Delhi South (Participation) (19th January 2019)
- Photography at DNAmics Genesis 2019 ,Bhaskaracharya College of Applied Sciences, University of Delhi
- Securing IInd position in Group singing competition representing Moksha (the music society of Bhaskaracharya College of Applied Sciences, University of Delhi in the college fest SRIJAN 2018
- Comperer in Annual Day for the session 2017-18, Bhaskaracharya College of Applied Sciences, University of Delhi
- Member of the Student Editorial Board for the session 2017-2018, Bhaskaracharya College of Applied Sciences, University of Delhi
- Treasurer of the DNAmics society of Department of Biomedical Sciences, Bhaskaracharya College of Applied Sciences, University of Delhi (2017-2018)
- Third Best Team in the Inter-College Debate held at Shivaji College, University of Delhi

B.Sc	University of Delhi	Bhaskaracharya College of Applied Sciences, New Delhi	Sem I : 9.00	2020*	* Yet to appear in final exam
			Sem II : 9.00		
			Sem III : 9.36		
			Sem IV : 9.36		
12th	CBSE	Indraprastha Internatonal School, Delhi	90 (PCMBE) 94 (PCBE)	2017	
10th	CBSE	Indraprastha Internatonal School, Delhi	10 (CGPA)	2015	

Awards/Scholarship:

- Secured 1st position in the college in the Annual Examination held in 2017-18.
- Secured 2nd position in poster presentation conducted by Botany Department, Bhaskaracharya College of Applied Sciences.

Workshops/Trainings Attended:

- Attended and presented oral poster in the “2nd National conference on Clean and Green Energy: The Chemical and Environmental Aspects” -26-27th September 2019
- Workshop for handling and Care of Laboratory Animals, Bhaskaracharya College of Applied Sciences, University of Delhi -31st Oct.-1st Nov.’2018.
- Foldscope as tracking and detecting tool for protein crystallization, Bhaskaracharya College of Applied Sciences, University of Delhi In collaboration with ICGEB (Int. Center for Genetic Engineering and Biotechnology 26th October 2018.

Curricular/Extra-Curricular Activity:

- Served as a **trainer** during the workshop on “Foldscope microscopy: basics and application” held at Shivaji college, University of Delhi organized by Dept. of Biochemistry under DBT sponsored star college Scheme.
- NPTEL Online Course- HUMAN MOLECULAR GENETICS (IIT KANPUR)-78%
- COURSERA Online Course –INTRODUCTION TO BIOLOGY OF CANCER (JOHNS HOPKINS UNIVERSITY)

- Presented oral poster in the “2nd National conference on Clean and Green Energy: The chemical and environmental Aspects” -26-27th September 2019.
- Volunteered the ALUMINI MEET 2018 Bhaskaracharya College of Applied Sciences, University of Delhi.
- Volunteered the Workshop for handling and Care of Laboratory Animals, Bhaskaracharya College of Applied Sciences, University of Delhi -31st Oct.-1st Nov.’2018.
- Secretary of DNAmics, Biomedical Science Society of Bhaskaracharya College of Applied Sciences, University of Delhi.
- Compered for the Annual day event 2018_Bhaskaracharya College of Applied Sciences, University of Delhi.
- Volunteered at Genesis’18 (Biomedical Science Society Fest).

10th	CBSE	Ramjas Public School (Day Boarding)	10 (CGPA)	2015	

Workshops/Trainings Attended:

- **Internship** at Institute of Nuclear Medicine and Allied Sciences (INMAS), Defence Research and Development Organisation (DRDO), under the guidance of Dr. Sweta Gupta (Scientist 'D'), on the topic "Stem Cell culture and Microbial Techniques" (June-July 2019)
- Presented poster of the project "Extraction, Characterisation and Comparative study of Nicotine" in 2nd National Conference on "Clean and Green Energy: The Chemical and Environmental Aspects" (Held on 26-27th September 2019)
- Attended "The TNQ Distinguished Lectures in the Life Sciences", featuring Helen Hobbs. (In 2019)
- Went to National Brain Research Centre for lab visit (2018)

Curricular/Extra-Curricular Activity:

- President of Darpan-the dramatics society of Bhaskaracharya College of Applied Sciences, New Delhi (2018-2019*) for one academic year and the current year as well.
- Active member of Confianza, Debating society of Bhaskaracharya College of Applied Sciences, New Delhi (In 2017-2019)
- Active member of Film Odessey- the film club of Bhaskaracharya College of Applied Sciences, New Delhi (In 2017-2019)(current member this year as well.)
- Active participation in organizing the Departmental Festival of the college.
- Volunteered for Street Play Event at Annual cultural fest- Srijan of Bhaskaracharya College of Applied Sciences, New Delhi (2017-2018)

**Department of Biomedical Science
STUDENTS' PROFILE**

Name: Deepak Arun

Date of Birth: 28-08-1999

Permanent Address: HN-382 NH-19 tulsi adda usra road Etawah(206001) UP.

Current Address: d317 gali no. 56 mahaveer enclave part 3 dwarka sector
2 New Delhi (110075)

Contact No.: 8954831847

Email: deepak.arun2899@gmail.com

Academic Qualification:

Class	University/ Board	Institution	Percentage/ CGPA	Year of Passing	Remark
B.Sc	University of Delhi	Bhaskarachar ya college of applied sciences	Sem I : 7.82	2020*	* Yet to appear in final exam
			Sem II :6.73		
			Sem III :6.29		
			Sem IV :6.93		
12 th	Centrls board of secondary education	Saint vivekanandsr. Sec pubic school	81.8%	2017	
10 th	Centrls board of secondary education	Saint vivekanandsr. Sec pubic school	70.3%	2015	

Workshops/Trainings Attended:

- Work on 'Protein Purification of human SDF-1 Alpha from E.coli under Associate Professor Dr. Deepak k Saini for 2 months in IISC Bangalore.
- IIT Bombay present LOT challenge 11-12/oct/2019 from Deen Dayal Upadhyya(DU)
- Field Technician-Computing And Peripheral conforming to national skill qualification framework level 4 from PMKVY
- Awareness Programme on Intellectual Property Right 26/sep/17from Shivaji College (DU)
- International Women's day women conclave 2019"-“Balance for Better”
- Foldscope as a traching and detecting tool for protein crystallisation-26/oct/18 from BCAS (DU)

12th	Central Board of Secondary Education	Delhi Public School, Dwarka	84.4 %	2017	
10th	Central Board of Secondary Education	Delhi Public School, Dwarka	CGPA: 10	2015	

Awards/Scholarship:

- **Best Presentation** at the International Ozone Day Celebration organised by the Department of Environment, Government of India - *September 2018*.
- **Poster presentation** at the National Conference on Chemical Sciences: Opportunities and Challenges 2018 organised by St. Stephen's College, University of Delhi on "Perception of Commonly used Cosmetics in Young Adults" - *March 2018*.
- **Poster presentation** at the International Conference on Livable Cities: Transforming Sustainability and its Challenges organised by Shaheed Bhagat Singh College, University of Delhi on "Perception of Air Quality in Delhi by Young Adults" - *February 2018*.

Workshops/Training Attended:

- **Summer Internship Project 2018**

Green synthesis and characterization of Reduced Graphene Oxide using Allium cepa extract — *June 2018 to July 2018*.

Supervisor: Dr. Mahima Kaushik, Associate Professor, Cluster Innovation Centre, University of Delhi.

- **RNA metabolism and Neurodegenerative Diseases** —
- Ministry of Human Resource Development- Global Initiative of Academic Networks (MHRD-GIAN) Course (April 2018)
- **How the Brain creates mind** — National Programme on Technology Enhanced Learning (NPTEL) Online Course (April 2018). Taught by Dr. Alok Bajpai, MD,

psychiatrist and part of counselling cell at Indian Institute of Technology, Kanpur.

Curricular/Extra-Curricular Activity:

- **Vice President of DNAmics-** Society of the Department of Biomedical Science- *2018 to 2019*
- **Trainer** in the workshop on “Foldscope Microscopy: Basics and Applications” organised by the Department of Biotechnology under DBT sponsored Star College Scheme at Shivaji College, University of Delhi - *September 2019*

Class	University/ Board	Institution	Percentage/ CGPA	Year of Passing	Remark
B.Sc	University of Delhi	Bhaskaracharya College of Applied Sciences	Sem I : 9.26	2020*	*Yet to appear for final exams
			Sem II :8.73		
			Sem III :8.71		
			Sem IV :9.36		
12 th	CBSE	Jaspal Kaur Public School	93%	2017	
10 th	CBSE	Jaspal Kaur Public School	CGPA: 10.0	2015	

Awards:

- First position in BSc. (H) Biomedical Sciences first year.
- Second prize in oral poster presentation in the department fest of Botany Society PHYTOMICS- 11th March 2019.
- NPTEL online course- Bioengineering: An interface with Biology and Medicine- 75% Silver Elite.

Workshops/Trainings Attended:

- **Trainings/Projects**
- Summer training and internship at Department of Zoology, North Campus, University of Delhi under Dr. Yogendra Singh-“ *Mycobacterium tuberculosis*, Metagenomic DNA extraction, Bioinformatics.
- Attended and presented an oral poster at the “2nd National Conference on Clean and Green Energy: The Chemical and Environmental Aspects” held on 26th-27th September 2019.
- Attended workshop for handling and care of laboratory animals, Bhaskaracharya College of Applied Sciences-31st October-1st November 2018.
- Foldscope as tracking and detecting tool for protein crystallization, Bhaskaracharya College of Applied Sciences-26th October 2018(in collaboration with ICGEB)
- Oral poster presentation at the National Conference at University of Delhi- 29th-31st March 2019.
- Attended the workshop on “Intellectual Property Rights” held in Shivaji College on 26th September 2017.

Curricular/Extra-Curricular Activity:

- NPTEL online course- Bioengineering: An interface with Biology and Medicine- 75%

Silver Elite

- Served as **trainer** during the workshop on “Foldscope microscopy:basics and application” held at Shivaji College, University of Delhi organized by the Department of Biochemistry under DBT sponsored star college scheme.
- Volunteered at the Alumni meet 2018, Bhaskaracharya College of Applied Sciences..
- Coordinator at the department fest “GENESIS 2018” DNAmics society.
- Volunteered at the department fest “GENESIS 2018” DNAmics society.

12 th	CBSE	St. Francis D'Assisi High School, Gorchuk, Guwahati	86.33	2017	Passed
10 th	CBSE	Montfort School, GS Road, Guwahati, Assam	9.2	2015	Passed

Workshops/Trainings Attended:

- Solid Waste Resource Management**
Completed one year Internship Programme (from 1st January, 2016 to 31st December, 2017) under NGO "Environ, Hatigaon, Guwahati- 781006" on the project "Solid Waste Resource Management" under the "Swachh Bharat Mission" (SBM).
- Molecular Biology**
Learned various techniques in Molecular Biology and Plant Biotechnology for about 15 days (17th-31st December, 2018) in the laboratory of Prof. (Dr.) M.V. Rajam, Department of Genetics, University of Delhi- South Campus.
- Virology and Immunology**
Completed a two day workshop on "Hands-on Training on Molecular and Serological Diagnostic Assays of Plant Viruses" conducted by Amity Institute of Virology and

Immunology, Amity University, Uttar Pradesh.

- **Summer internship**

Completed one-month (from 3rd June, 2019 to 2nd July, 2019) Summer internship in Dr. Bhubaneshwar Borooah Cancer Institute under the guidance of Dr. Rashmisnata Barman (Assistant Professor, Department of Microbiology)

Curricular:

- Attended a Conference on "Microbiology: Current challenges and future trends" conducted in IHE by Microbiological Society on 10th and 11th January, 2018
- Attended "A National Conference On Advances in Interdisciplinary Microbiology: Perspectives from Academia and Industry" as a part of Microquest 2018, The Annual Microbiology Festival, organised by Sukshmjeev Society, Department of Microbiology (under the aegis of the Star College Scheme, Department of Biotechnology, Government of India), held in Bhaskaracharya College of Applied Sciences, from 13th to 14th March, 2018
- Participated in Science Model Competition on Open Day, Outreach Programme under India International Science Festival at Regional Centre for Biotechnology, Gurugram on 24th September, 2018
- Attended Lecture Series: "Augmenting Curricular Concepts in Microbiology to Stimulate Young Minds: An Interdisciplinary Approach (Part I- Plant Pathology)" held in Bhaskaracharya College, DU on 11th October, 2018
- Attended the National Seminar on "Probiotics: Ameliorating The Burden of Lifestyle Disorders" held on 1st February, 2019 by Department of Microbiology, Ram Lal Anand College in Association with Probiotic Association of India.
- Attended Lecture Series: "Augmenting Curricular Concepts in Microbiology to Stimulate Young Minds: An Interdisciplinary Approach (Part II- Cancer Biology)" held in Bhaskaracharya College, DU on 5th February, 2019
- Attended "The Golden Jubilee Celebration of The Insecticide Act, 1968 (Promoting Food Safety and Security), a Conference organised by Indian Institute of Biotechnology and Toxicology (IIBAT), on 22nd February, 2019 at Radisson Blu, Faridabad. Attended a Conference on "Microcalypse: Reign of Microbes" conducted in IHE by Microbiological Society on 14th March, 2019
- Completed an add-on course on "Intellectual Property Rights", held from 12th January, 2019 to 13th April, 2019 in Sri Venkateshwara College (University of Delhi) with 1st Division (70%)

Extra-Curricular Activity:

1. A member of Dance Society (RAGE) Of Bhaskaracharya College of Applied Sciences, Dwarka sector-2
2. Participated in Duo Dance Competition as a part of "Srijan'19", fest of Bhaskaracharya College of Applied Sciences in 2019
3. Coordinated GROUP DANCE event as a part of "Srijan'19", fest of Bhaskaracharya College of Applied Sciences
4. Winner of 2nd prize in Group Dance event as a part of Dance Maniac'19 held by Dream Launcher Dance Academy
